ABOUT THIS PROSPECTUS

This prospectus is part of an automatic shelf registration statement on Form S-3 that we filed with the SEC as a “well-known seasoned issuer” as defined in Rule 405 under the Securities Act of 1933, as amended (the “Securities Act”). Under the automatic shelf registration process, we or any selling securityholder may, over time, sell any combination of the securities described in this prospectus or in any applicable prospectus supplement in one or more offerings. This prospectus provides you with a general description of the securities we may offer. As allowed by the SEC rules, this prospectus does not contain all of the information included in the registration statement or the exhibits to the registration statement. Each time we sell, or any selling securityholder sells, securities, we or they will provide a prospectus supplement to this prospectus that will contain specific information about the securities being offered and sold and the specific terms of that offering. We may also authorize one or more free writing prospectuses to be provided to you that may contain material information relating to these offerings. A prospectus supplement or free writing prospectus may also add, update or change information contained in this prospectus. If there is any inconsistency between the information in this prospectus and the applicable supplement or free writing prospectus, you should rely on the prospectus supplement or free writing prospectus, as applicable. In addition, under this shelf registration statement, selling securityholders who have acquired common shares from us may resell these common shares from time to time. Any such selling securityholders will be named in a prospectus supplement to this prospectus as and to the extent required by SEC rules. We will not receive any proceeds from the resale by any such selling securityholders of Offered Securities. You should carefully read both this prospectus and any prospectus supplement (and any applicable free writing prospectus) together with the additional information described under the heading “Where You Can Find More Information” before considering an investment in the securities offered by that prospectus supplement.

You should rely only on the information contained in or incorporated by reference in this prospectus and any prospectus supplement. Neither we nor any selling securityholder has authorized anyone to provide you with different or additional information or to make any representations other than those contained in this prospectus, any applicable prospectus supplement or any free writing prospectuses prepared by or on behalf of us or to which we have referred you. We take no responsibility for, and can provide no assurance as to the reliability of, any other information that others may give you. If anyone provides you with additional or different information, you should not rely on it. You should assume that the information appearing in this prospectus, any prospectus supplement and the documents incorporated by reference herein and therein is accurate only as of their respective dates. Our business, financial condition, results of operations and prospects may have changed since those dates. This prospectus incorporates by reference, and any prospectus supplement or free writing prospectus may contain and incorporate by reference, market data and industry statistics and forecasts that are based on independent industry publications and other publicly available information. Although we believe these sources are reliable, we do not guarantee the accuracy or completeness of this information and we have not independently verified this information. In addition, the market and industry data and forecasts that may be included or incorporated by reference in this prospectus, any prospectus supplement or any applicable free writing prospectus may involve estimates, assumptions and other risks and uncertainties and are subject to change based on various factors, including those discussed under the heading “Risk Factors” contained in this prospectus, the applicable prospectus supplement and any applicable free writing prospectus, and under similar headings in other documents that are incorporated by reference into this prospectus. Accordingly, investors should not place undue reliance on this information.

DISCLOSURE REGARDING FORWARD-LOOKING STATEMENTS

This prospectus, any accompanying prospectus supplement and the documents incorporated by reference herein and therein may contain forward-looking statements within the meaning of Section 27A of the Securities Act and Section 21E of the Exchange Act. We intend such forward-looking statements to be covered by the safe harbor provisions for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995 and include this statement for purposes of complying with these safe harbor provisions. Forward-looking statements are generally identifiable by use of the words “anticipate,” “believe,” “can,” “continue,” “could,” “designed,” “estimate,” “expect,” “forecast,” “goal,” “intend,” “may,” “might,” “plan,” “possible,” “potential,” “predict,” “project,” “should,” “target,” “will,” “would,” and similar expressions that do not report historical matters, and describe or reflect our plans, strategies, beliefs and expectations, including as to future financial results, access to, and costs of, capital, liquidity, cash flows, dividend payments and long-term growth.

There are a number of risks, uncertainties and other factors that could cause our actual results to differ materially from the forward-looking statements contained in or contemplated by this prospectus supplement. Any forward-looking statements should be considered in light of the risks, uncertainties and other factors referred to in Item 1A. “Risk Factors” in our Annual Report on Form 10-K. Such risks and uncertainties include, but are not limited to: risks associated with general economic and financial conditions, including inflationary pressures and recessionary fears, newly-imposed and potentially additional U.S. tariffs and responsive non-U.S. tariffs, increased capital costs and capital markets volatility, increases in unemployment and reduced consumer confidence and spending; risks related to our ability to acquire or develop new retail centers or expand existing retail centers successfully; risks related to the financial performance and market value of our retail centers and the potential for reductions in asset valuations and related impairment charges; our dependence on rental income from real property; the relative illiquidity of real property investments; failure of our acquisitions or dispositions of retail centers to achieve anticipated results; competition for the acquisition and development of retail centers, and our inability to complete the acquisitions of retail centers we may identify; competition for tenants with competing retail centers and our inability to execute leases with tenants on terms consistent with our expectations; the diversification of our tenant mix may not achieve our expected results; risks associated with environmental regulations; risks associated with possible terrorist activity or other acts or threats of violence and threats to public safety; risks related to international military conflicts, international trade disputes and foreign currency volatility; the fact that certain of our leases include co-tenancy and/or sales-based provisions that may allow a tenant to pay reduced rent and/or terminate a lease prior to its natural expiration; our dependence on the results of operations of our retailers and their bankruptcy, early termination or closing could adversely affect us; the impact of geopolitical conflicts; the immediate and long-term impact of the outbreak of a highly infectious or contagious disease on our tenants and on our business (including the impact of actions taken to contain the outbreak or mitigate its impact); the fact that certain of our properties are subject to ownership interests held by third parties, whose interests may conflict with ours; risks related to climate change; risks related to uninsured losses; the risk that consumer, travel, shopping and spending habits may change; risks associated with our Canadian investments; risks associated with attracting and retaining key personnel; risks associated with debt financing; risks associated with our guarantees of debt for, or other support we may provide to, joint venture properties; the effectiveness of our interest rate hedging arrangements; our potential failure to qualify as a REIT; our legal obligation to pay dividends to our shareholders; legislative or regulatory actions that could adversely affect our shareholders, our dependence on distributions from the Operating Partnership to meet our financial obligations, including dividends; risks of costs and disruptions from cyber-attacks or acts of cyber-terrorism on our information systems or on third party systems that we use; unanticipated threats to our business from changes in information and other technologies, including artificial intelligence; and the uncertainties of costs to comply with regulatory changes and other important factors that may cause actual results to differ materially from current expectations.

We qualify all of our forward-looking statements by these cautionary statements. We have based these forward-looking statements largely on our current expectations and projections about future events and financial trends that we believe may affect our business, financial condition and results of operations. Because forward-looking statements are inherently subject to risks and uncertainties, some of which cannot be predicted or quantified, you should not rely on these forward-looking statements as predictions of future events. The events and circumstances reflected in our forward-looking statements may not be achieved or

occur and actual results could differ materially from those projected in the forward-looking statements. Except as required by applicable law, we do not plan to publicly update or revise any forward-looking statements contained herein, whether as a result of any new information, future events, changed circumstances or otherwise.

THE COMPANY AND THE OPERATING PARTNERSHIP

Tanger Inc., together with its subsidiaries is one of the leading owners and operators of outlet and other open-air retail destinations in the United States and Canada. We are a fully-integrated, self-administered and self-managed REIT, which focuses on developing, acquiring, owning, operating and managing outlet and other open-air retail destinations. As of December 31, 2025, our consolidated portfolio consisted of 31 outlet centers and three open-air lifestyle centers, with a total gross leasable area of approximately 14.0 million square feet, which were 98% occupied and contained over 2,600 stores representing approximately 700 store brands. We also had partial ownership interests in six unconsolidated outlet centers totaling approximately 2.1 million square feet, including two outlet centers in Canada. Our portfolio also includes one managed center, totaling approximately 457,000 square feet. Each of our outlet centers, except one joint venture center, features the Tanger brand name.

Our shopping centers and other assets are held by, and all of our operations are conducted by, Tanger Properties Limited Partnership and its subsidiaries. The Company, including its wholly-owned subsidiary, Tanger LP Trust, owns the majority of the units of partnership interest issued by the Operating Partnership. The Company controls the Operating Partnership as its sole general partner. Tanger LP Trust holds a limited partnership interest in the Operating Partnership.

As of December 31, 2025, the Company and its wholly-owned subsidiaries owned 115,097,359 units of the Operating Partnership and the other limited partners (the “Non-Company LPs”) collectively owned 4,662,904 Class A common limited partnership units. Each Class A common limited partnership unit held by the Non-Company LPs is exchangeable for one of the Company’s common shares, subject to certain limitations to preserve the Company’s status as a REIT for U.S. federal income tax purposes. Class B common limited partnership units, which are held by Tanger LP Trust, are not exchangeable for common shares of the Company.

In addition, as of December 31, 2025, 248,948 of LTIP Units were outstanding. LTIP Units are intended to qualify as “profits interests” for U.S. federal income tax purposes and are compensatory awards granted to service providers of the Company and the Operating Partnership. Each LTIP unit, if and upon vesting, is convertible, upon the satisfaction of minimum allocations to the capital account of the LTIP unit for federal income tax purposes, into a non-voting Class C common unit of the Operating Partnership. Each such Class C common unit may be exchanged by the holder for one common share of the Company.

Management operates the Company and the Operating Partnership as one enterprise. The management of the Company consists of the same members as the management of the Operating Partnership. These individuals are officers and employees of the Company.

Organizational Chart

Ownership of the Company’s common shares is restricted to preserve the Company’s status as a REIT for U.S. federal income tax purposes. Subject to certain exceptions, a person may not actually or constructively own more than 9.8% of our common shares. We also operate in a manner intended to enable us to preserve our status as a REIT, including, among other things, making distributions with respect to our then outstanding common shares and preferred shares, if applicable, equal to at least 90% of our taxable income each year.

The Company is a North Carolina corporation that was incorporated in March 1993, and the Operating Partnership is a North Carolina limited partnership that was formed in May 1993. Our executive offices are currently located at 3200 Northline Avenue, Suite 360, Greensboro, North Carolina, 27408 and our telephone number is (336) 292-3010.

RISK FACTORS

Investment in any of the Offered Securities pursuant to this prospectus and the applicable prospectus supplement involves risks. You should carefully consider the risk factors incorporated by reference to our most recent Annual Report on Form 10-K and any subsequent Quarterly Reports on Form 10-Q or Current Reports on Form 8-K we file after the date of this prospectus, and all other information contained or incorporated by reference into this prospectus, as updated by our subsequent filings under the Exchange Act, and the risk factors and other information contained in the applicable prospectus supplement and any applicable free writing prospectus before acquiring any of such securities. The occurrence of any of these risks might cause you to lose all or part of your investment in the Offered Securities. Please also refer to the section above entitled “Disclosure Regarding Forward-Looking Statements.”

USE OF PROCEEDS

We intend to contribute all of the proceeds from the sale of Offered Securities by the Company to the Operating Partnership. Unless otherwise described in the applicable prospectus supplement, the Operating Partnership intends to use the net proceeds from the sale of Offered Securities by this prospectus for general corporate purposes, which may include, but are not limited to, the development or the acquisition of additional portfolio properties as suitable opportunities arise, the expansion and improvement of certain centers in the Operating Partnership's portfolio, investments in joint ventures, the repayment of certain secured or unsecured indebtedness outstanding at such time (including amounts outstanding from time to time under our lines of credit, senior notes, term loans or future indebtedness), and to provide for working capital. We will not receive any proceeds from the resale by any selling securityholders of Offered Securities.

DESCRIPTION OF DEBT SECURITIES AND GUARANTEES

General

We will prepare and distribute a prospectus supplement that describes the specific terms of the debt securities. In this section of the prospectus, we describe the general terms we expect all debt securities to have. We also identify some of the specific terms that will be described in a prospectus supplement. Although we expect that any debt securities we offer with this prospectus will have the general terms we describe in this section, our debt securities may have terms that are different from or inconsistent with the general terms we describe here. Therefore, you should read the prospectus supplement carefully.

The debt securities will be issued by the Operating Partnership and, except as noted in the following sentence, will be guaranteed by the Company. If the Operating Partnership issues non-convertible investment grade debt securities, the applicable prospectus supplement will provide whether the securities are guaranteed by the Company. The Company will not issue debt securities.

The Indentures

Any debt securities we offer through this prospectus will be issued under one or more indentures, including, for senior debt securities, the indenture, dated as of March 1, 1996 between the Operating Partnership, the Company and U.S. Bank, National Association (as successor in interest to State Street Bank and Trust Company), as trustee and, for subordinated debt securities, an indenture to be dated as of a date on or prior to the first issuance of subordinated debt securities, as supplemented from time to time, between the Operating Partnership, the Company and U.S. Bank, National Association, as trustee. The original senior indenture, dated as of March 1, 1996, was filed on the Company's Registration Statement on Form S-3, dated April 12, 1996. The senior indenture was subsequently supplemented by a First Supplemental Indenture, which was filed on the Company's Current Report on Form 8-K dated March 11, 1996, Second Supplemental Indenture, which was filed on the Company and the Operating Partnership's Current Reports on Form 8-K dated October 29, 1997, Third Supplemental Indenture, which was filed on the Company and the Operating Partnership's Current Reports on Form 8-K dated February 16, 2001, Fourth Supplemental Indenture, which was filed on the Company and the Operating Partnership's Annual Reports on Form 10-K for the year ended December 31, 2006, Fifth Supplemental Indenture, which was filed on the Company and the Operating Partnership's Annual Reports on Form 10-K for the year ended December 31, 2006, Sixth Supplemental Indenture, which was filed as Exhibit 4.13 to the Company's Registration Statement on Form S-3 dated July 2, 2009, Seventh Supplemental Indenture, which was filed on the Company and the Operating Partnership's Current Report on Form 8-K dated June 7, 2010, Eighth Supplemental Indenture, which was filed on the Company and the Operating Partnership's Current Report on Form 8-K dated November 25, 2013, Ninth Supplemental Indenture, which was filed on the Company and the Operating Partnership's Current Report on Form 8-K dated November 21, 2014, Tenth Supplemental Indenture, which was filed on the Company and the Operating Partnership's Current Report on Form 8-K dated August 8, 2016 and which was amended by the First Amendment to the Tenth Supplemental Indenture, which was filed on the Company and the Operating Partnership's Current Report on Form 8-K dated October 13, 2016, Eleventh Supplemental Indenture, which was filed on the Company and the Operating Partnership's Current Report on Form 8-K dated July 3, 2017, and Twelfth Supplemental Indenture, which was filed on the Company's and the Operating Partnership's Current Report on Form 8-K dated August 11, 2021. The form of the subordinated indenture was filed as an exhibit to the Amendment No. 1 to the Registration Statement on Form S-3 dated January 23, 1996.

The indentures are subject to, and governed by, the Trust Indenture Act of 1939, as amended (the "TIA"). The statements made hereunder relating to the indentures and the debt securities to be issued thereunder are summaries of certain provisions of those agreements and are not complete and are subject to, and are qualified in their entirety by reference to, all provisions of the indentures and such debt securities.

Additional Terms of Debt Securities

The debt securities will be direct, unsecured obligations of the Operating Partnership. The indebtedness represented by the senior debt securities will rank equally with all other unsecured and unsubordinated indebtedness of the Operating Partnership. The indebtedness represented by the subordinated debt securities

will be subordinated in right of payment to the prior payment in full of all senior indebtedness of the Operating Partnership (including the senior debt securities) as described under “Subordination” below. The indentures provide or will provide that the debt securities may be issued without limit as to aggregate principal amount, in one or more series, in each case as established from time to time in or pursuant to authority granted by a resolution of the general partner of the Operating Partnership, which is the Company, or as established in one or more indentures supplemental to the indenture. All debt securities of one series need not be issued at the same time and may vary as to interest rate or formula, maturity and other provisions and, unless otherwise provided, a series may be reopened, without the consent of the holders of the debt securities of such series, for issuances of additional debt securities of such series.

The indentures provide or will provide that we may, but need not, designate more than one trustee for the indenture, each with respect to one or more series of the debt securities. Any trustee under an indenture may resign or be removed with respect to one or more series of the debt securities, and a successor trustee may be appointed to act with respect to that series. If two or more persons are acting as trustee to different series of our debt securities, each trustee shall be a trustee of a trust under the applicable indenture separate and apart from the trust administered by any other trustee and, except as otherwise indicated in this prospectus, any action taken by a trustee may be taken by that trustee with respect to, and only with respect to, the one or more series of debt securities for which it is trustee under the applicable indenture.

This summary sets forth certain general terms and provisions of the indentures, the debt securities and the related guarantees. For a detailed description of a specific series of debt securities and the related guarantees, you should consult the prospectus supplement for that series. The prospectus supplement may contain any of the following information where applicable:

- (1) the title of those debt securities;
- (2) the aggregate principal amount of those debt securities and any limit on the aggregate principal amount;
- (3) the percentage of the principal amount at which those debt securities will be issued and, if other than 100% of the principal amount thereof, the portion of the principal amount payable upon acceleration of the maturity;

- (5) the rate or rates (which may be fixed or variable), or the method by which the rate or rates shall be determined, at which those debt securities will bear interest, if any;
- (6) the date or dates, or the method for determining the date or dates, from which any interest will accrue, the dates upon which that interest will be payable, the record dates for payment of that interest, or the method by which any of those dates shall be determined, the persons to whom that interest shall be payable, and the basis upon which that interest shall be calculated if other than that of a 360-day year of twelve 30-day months;
- (7) the place or places where the principal of (and premium, if any) and interest, if any, on debt securities will be payable, where debt securities may be surrendered for registration of transfer or exchange and where notices or demands to or upon the Operating Partnership or the Company, as applicable, relating to the debt securities, the applicable guarantees, if any, and the applicable indenture may be served;
- (8) the date or dates on which, the period or periods within which, the price or prices at which and the terms and conditions upon which those debt securities may be redeemed, as a whole or in part, at the option of the Operating Partnership, if the Operating Partnership is to have such an option;

 - (13) whether those debt securities will be issued in certificated or book-entry form or both, and, if so, the identity of the depository and the terms of the depository arrangement for those debt securities;
 - (14) whether those debt securities will be in registered or bearer form and, if in registered form, the denominations thereof if other than \$1,000 and any integral multiple thereof and, if in bearer form, the denominations thereof if other than \$5,000 and terms and conditions relating thereto;

Any material, special U.S. federal income tax, accounting and other considerations applicable to securities issued with original issue discount will be described in the applicable prospectus supplement.

Except as described in “— Merger, Consolidation or Sale” or as may be set forth in the applicable prospectus supplement, the indentures do not contain any provisions that would limit the ability of the Operating Partnership or the Company to incur indebtedness or that would afford holders of debt securities protection in the event of:

- (1) a highly leveraged or similar transaction involving the Operating Partnership, the management of the Operating Partnership or the Company, or any affiliate of any such party,
- (2) a change of control, or
- (3) a reorganization, restructuring, merger or similar transaction involving the Operating Partnership or the Company that may adversely affect the holders of the debt securities.

However, our organizational documents contain certain restrictions on ownership and transfers of our common shares and preferred shares that are designed to preserve our status as a REIT and may act to prevent or hinder a change of control. See “Description of Common Shares” and “Description of Preferred Shares.” In addition, subject to the limitations set forth under “— Merger, Consolidation or Sale,” the

Operating Partnership or the Company may, in the future, enter into certain transactions, such as the sale of all or substantially all of its assets or the merger or consolidation of the Operating Partnership or the Company, that would increase the amount of the Operating Partnership's indebtedness or substantially reduce or eliminate the Operating Partnership's assets, which may have an adverse effect on the Operating Partnership's ability to service its indebtedness, including the debt securities.

Reference is made to the applicable prospectus supplement for information with respect to any deletions from, modifications of or additions to the events of default or covenants of the Company and the Operating Partnership that are described below, including any addition of a covenant or other provision providing event risk or similar protection. Reference is made to "— Certain Covenants" below and to the description of any additional covenants with respect to a series of Debt Securities in the applicable prospectus supplement. Except as otherwise described in the applicable prospectus supplement, compliance with such covenants generally may not be waived with respect to a series of debt securities by the Board of Directors of the Company as the general partner of the Operating Partnership or by the trustee unless the holders of at least a majority in principal amount of all outstanding debt securities of such series consent to such waiver, except to the extent that the defeasance and covenant defeasance provisions of the indenture described under "— Discharge, Defeasance and Covenant Defeasance" below apply to such series of debt securities. See "— Modification of the Indenture."

Denominations, Interest, Registration and Transfer

Unless otherwise described in the applicable prospectus supplement, the debt securities of any series which are registered securities, other than registered securities issued in book-entry form (which may be in any denomination) will be issuable in denominations of \$1,000 and integral multiples thereof, and the debt securities which are bearer securities, other than bearer securities issued in global form (which may be of any denomination), shall be issuable in denominations of \$5,000.

Unless otherwise specified in the applicable prospectus supplement, the principal of (and premium, if any) and interest on any series of debt securities will be payable at the corporate trust office of the applicable trustee *provided* that, at the option of the Operating Partnership, payment of interest may be made by check mailed to the address of the person entitled thereto as it appears in the security register or by wire transfer of funds to such person at an account maintained within the United States.

Any interest not punctually paid or duly provided for on any interest payment date with respect to a debt security will forthwith cease to be payable to the holder on the applicable record date and may either be paid to the person in whose name such debt security is registered at the close of business on a special record date for the payment of such defaulted interest to be fixed by the applicable trustee, notice whereof shall be given to the holder of such debt security not less than 10 days prior to such special record date, or may be paid at any time in any other lawful manner, all as more completely described in the indenture.

Subject to certain limitations imposed upon debt securities issued in book-entry form, the debt securities of any series will be exchangeable for other debt securities of the same series and rank and of a like aggregate principal amount and tenor of different authorized denominations upon surrender of such debt securities at the corporate trust office of the applicable trustee referred to above. In addition, subject to certain limitations imposed upon debt securities issued in book-entry form, the debt securities of any series may be surrendered for registration of transfer thereof at the corporate trust office of the applicable trustee. Every debt security surrendered for registration of transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer. No service charge will be made for any registration of transfer or exchange of any debt securities, but the Operating Partnership may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith. If the applicable prospectus supplement refers to any transfer agent (in addition to the applicable trustee) initially designated by the Operating Partnership with respect to any series of debt securities, the Operating Partnership may at any time rescind the designation of any such transfer agent or approve a change in the location through which any such transfer agent acts, except that the Operating Partnership will be required to maintain a transfer agent in each place of payment for such series. The Operating Partnership may at any time designate additional transfer agents with respect to any series of debt securities.

Neither the Operating Partnership nor the applicable trustee shall be required to:

- (1) issue, register the transfer of or exchange any debt securities if such debt security may be among those selected for redemption during a period beginning at the opening of business 15 days before selection of the debt securities to be redeemed and ending at the close of business on the day of such selection;
- (2) register the transfer of or exchange any registered security, or portion thereof, called for redemption, except the unredeemed portion of any registered security being redeemed in part; or
- (3) issue, register the transfer of or exchange any debt security which has been surrendered for repayment at the option of the holder, except the portion, if any, of such debt security not to be so repaid.

Merger, Consolidation or Sale

Each indenture provides that the Operating Partnership or the Company may consolidate with, or sell, lease or convey all or substantially all of its assets to, or merge with or into, any other entity *provided* that:

- (1) either the Operating Partnership or the Company, as the case may be, shall be the continuing entity, or the successor entity (if other than the Operating Partnership or the Company, as the case may be) formed by or resulting from any such consolidation or merger or which shall have received the transfer of such assets shall expressly assume payment of the principal of (and premium, if any) and interest on all of the debt securities issued under such indenture, in the case of any successor to the Operating Partnership, or the applicable guarantee, in the case of any successor to the Company and the due and punctual performance and observance of all of the covenants and conditions contained in such indenture and, as applicable, such debt securities or guarantees;
- (2) immediately after giving effect to such transaction no event of default, and no event which, after notice or the lapse of time, or both, would become such an event of default, under such indenture shall have occurred and be continuing; and
- (3) an officer's certificate and legal opinion covering such conditions shall be delivered to the applicable trustee.

Certain Covenants

Limitations on Incurrence of Indebtedness. The Operating Partnership will not, and will not permit any Subsidiary (as defined below) to, incur any Indebtedness (as defined below), other than Permitted Indebtedness (as defined below), if, immediately after giving effect to the incurrence of such additional Indebtedness, the aggregate principal amount of all outstanding Indebtedness of the Operating Partnership and its Subsidiaries on a consolidated basis determined in accordance with accounting principles generally accepted in the United States of America, or GAAP, is greater than 60% of the sum of:

- (1) the Operating Partnership's Total Assets (as defined below) as of the end of the calendar quarter covered in the Operating Partnership's Annual Report on Form 10-K or Quarterly Report on Form 10-Q, as the case may be, most recently filed with the Commission (or, if such filing is not permitted under the Exchange Act, with the Trustee) prior to the incurrence of such additional Indebtedness; and
- (2) any increase in the Total Assets since the end of such quarter including, without limitation, any increase in Total Assets resulting from the incurrence of such additional Indebtedness (such increase together with the Total Assets being referred to as the "Adjusted Total Assets").

In addition to the other limitations on the incurrence of Indebtedness, the Operating Partnership will not, and will not permit any Subsidiary to, incur any Indebtedness if, for the period consisting of the four consecutive fiscal quarters most recently ended prior to the date on which such additional Indebtedness is to be incurred, the ratio of Consolidated Income Available for Debt Service (as defined below) to the Annual

Service Charge (as defined below) shall have been less than 1.5 to 1, on a pro forma basis after giving effect to the incurrence of such Indebtedness and to the application of the proceeds therefrom, and calculated on the assumption that:

- (1) such Indebtedness and any other Indebtedness incurred by the Operating Partnership or its Subsidiaries since the first day of such four- quarter period and the application of the proceeds therefrom, including to refinance other Indebtedness, had occurred at the beginning of such period;
- (2) the repayment or retirement of any other Indebtedness by the Operating Partnership or its Subsidiaries since the first day of such four- quarter period had been incurred, repaid or retired at the beginning of such period (except that, in making such computation, the amount of Indebtedness under any revolving credit facility shall be computed based upon the average daily balance of such Indebtedness during such period);
- (3) any income earned as a result of any increase in Adjusted Total Assets since the end of such four- quarter period had been earned, on an annualized basis, during such period, and
- (4) in the case of an acquisition or disposition by the Operating Partnership or any Subsidiary or any asset or group of assets since the first day of such four-quarter period, including, without limitation, by merger, stock purchase or sale, or asset purchase or sale, such acquisition or disposition or any related repayment of Indebtedness had incurred as of the first day of such period with the appropriate adjustments with respect to such acquisition or disposition being included in such pro forma calculation.

In addition to the other limitations on the incurrence of Indebtedness, the Operating Partnership will not, and will not permit any Subsidiary to, incur any Secured Indebtedness (as defined below), whether owned at the date of the indenture or thereafter acquired, if, immediately after giving effect to the incurrence of such additional Secured Indebtedness, the aggregate principal amount of all outstanding Secured Indebtedness of the Operating Partnership and its Subsidiaries on a consolidated basis is greater than 40% of the Operating Partnership's Adjusted Total Assets.

For purposes of this covenant, Indebtedness is deemed to be "incurred" by the Operating Partnership or its Subsidiaries on a consolidated basis whenever the Operating Partnership and its Subsidiaries on a consolidated basis shall create, assume, guarantee or otherwise become liable in respect thereof.

Restrictions on Dividends and Other Distributions. The Operating Partnership will not make any distribution, by reduction of capital or otherwise (other than distributions payable in securities evidencing interests in the Operating Partnership's capital for the purpose of acquiring interests in real property or otherwise) unless, immediately after giving pro forma effect to such distribution:

- (a) no default under the indenture shall have occurred or be continuing; and
- (b) the aggregate sum of all distributions made after the date of the indenture shall not exceed the sum of:
 - (i) 95% of the aggregate cumulative Funds From Operations (as defined below) of the Operating Partnership accrued on a cumulative basis from the date of the indenture until the end of the last fiscal quarter prior to the contemplated payment, and
 - (ii) the aggregate Net Cash Proceeds (as defined below) received by the Operating Partnership after the date of the indenture from the issuance and sale of Capital Stock (as defined below) of the Operating Partnership or the Company to the extent such proceeds are contributed to the Operating Partnership;

provided, however, that the foregoing limitation in clauses (a) and (b) shall not apply to any distribution or other action which is necessary to maintain the Company's status as a REIT under the Code, if the aggregate principal amount of all outstanding Indebtedness of the Company and the Operating Partnership on a consolidated basis at such time is less than 60% of Adjusted Total Assets.

Notwithstanding the foregoing, the Operating Partnership will not be prohibited from making the payment of any distribution within 30 days of the declaration thereof if at such date of declaration such payment would have complied with the provisions of the immediately preceding paragraph.

Existence. Except as permitted under “— Merger, Consolidation or Sale,” each of the Company and the Operating Partnership will be required to do or cause to be done all things necessary to preserve and keep in full force and effect its existence, rights and franchises; *provided, however,* that neither the Company nor the Operating Partnership shall be required to preserve any right or franchise if it determines that the preservation thereof is no longer desirable in the conduct of its business and that the loss thereof is not disadvantageous in any material respect to the holders of the Debt Securities.

Maintenance of Centers. Each of the Company and the Operating Partnership will be required to cause all of its material properties used or useful in the conduct of its business or the business of any Subsidiary to be maintained and kept in good condition, repair and working order and supplied with all necessary equipment and will cause to be made all necessary repairs, renewals, replacements, betterments and improvements thereof, all as in the judgment of the Company and the Operating Partnership may be necessary so that the business carried on in connection therewith may be properly and advantageously conducted at all times; *provided, however,* that the Operating Partnership, the Company and its Subsidiaries shall not be prevented from closing, selling or otherwise disposing for value their respective properties except as otherwise provided in “— Merger, Consolidation or Sale.”

Insurance. The Company and the Operating Partnership will be required to, and will be required to cause each of its respective Subsidiaries to, keep all of its insurable properties insured against loss or damage at least equal to their then full insurable value with insurers of recognized responsibility.

Payment of Taxes and Other Claims. Each of the Company and the Operating Partnership will be required to pay or discharge or cause to be paid or discharged, before the same shall become delinquent,

- (1) all taxes, assessments and governmental charges levied or imposed upon it or any Subsidiary or upon the income, profits or property of it or any Subsidiary; and
- (2) all lawful claims for labor, materials and supplies which, if unpaid, might by law become a lien upon the property of the Operating Partnership, the Company or any Subsidiary; *provided,* however, that neither the Company nor the Operating Partnership shall be required to pay or discharge or cause to be paid or discharged any such tax, assessment, charge or claim whose amount, applicability or validity is being contested in good faith by appropriate proceedings.

Provision of Financial Information. Whether or not the Operating Partnership or the Company is subject to Section 13 or 15(d) of the Exchange Act and for so long as any debt securities are outstanding, the Company and the Operating Partnership will, to the extent permitted under the Exchange Act, be required to file with the Commission the annual reports, quarterly reports and other documents which the Company and the Operating Partnership would have been required to file with the Commission pursuant to such Section 13 or 15(d) of the Exchange Act (the “Financial Statements”) if the Company and the Operating Partnership were so subject, such documents to be filed with the Commission on or prior to the respective dates (the “Required Filing Dates”) by which the Company and the Operating Partnership would have been required so to file such documents if the Company and the Operating Partnership were so subject.

The Company and the Operating Partnership will also in any event,

(x) within 15 days of each Required Filing Date,

- (1) transmit by mail to all holders of debt securities, as their names and addresses appear in the Security Register, without cost to such holders copies of the annual reports and quarterly reports which the Company and the Operating Partnership would have been required to file with the Commission pursuant to Sections 13 or 15(d) of the Exchange Act if the Company and the Operating Partnership were subject to such Sections, and
- (2) file with the applicable trustee, copies of the annual reports, quarterly reports and other documents which the Company and the Operating Partnership would have been required to file with the Commission

pursuant to Section 13 or 15(d) of the Exchange Act if the Company and the Operating Partnership were subject to such Sections, and

(y) if filing such documents by the Company and the Operating Partnership with the Commission is not permitted under the Exchange Act, promptly upon written request and payment of the reasonable cost of duplication and delivery, supply copies of such documents to any prospective holder.

Additional Covenants

Any additional or different covenants of the Company and the Operating Partnership with respect to any series of debt securities will be set forth in the prospectus supplement relating thereto.

Events of Default, Notice and Waiver

Under each indenture, an event of default with respect to any series of debt securities issuable thereunder means any one of the following events:

- (1) default for 30 days in the payment of any installment of interest on any debt security of any series when due and payable;

- (2) default in the payment of the principal of (or premium, if any, on) any debt security of such series at its maturity;
- (3) default in making any sinking fund payment as required for any debt security of such series;
- (4) default in the performance, or breach, of any covenant or warranty contained in the applicable indenture (other than a covenant added to the applicable indenture solely for the benefit of a series of debt securities issued thereunder other than that series), continued for 60 days after written notice as provided in the applicable indenture;
- (5) default in the payment of an aggregate principal amount exceeding \$5,000,000 of any evidence of recourse indebtedness of the Operating Partnership or the Company or any mortgage, indenture or other instrument under which such indebtedness is issued or by which such indebtedness is secured, such default having occurred after the expiration of any applicable grace period and having resulted in the acceleration of the maturity of such indebtedness, but only if such indebtedness is not discharged or such acceleration is not rescinded or annulled;
- (6) failure of the Operating Partnership or the Company within 60 days to pay, bond or otherwise discharge any uninsured judgment or court order in excess of \$5,000,000 which is not stayed on appeal or contested in good faith;
- (7) certain events of bankruptcy, insolvency or reorganization, or court appointment of a receiver, liquidator or trustee of the Company, the Operating Partnership or any Significant Subsidiary (as defined in Regulation S-X promulgated under the Securities Act) or either of its property; and
- (8) any other event of default provided with respect to a particular series of debt securities of the Operating Partnership.

If an event of default with respect to debt securities of any series at the time outstanding (other than one for certain events of bankruptcy, insolvency or reorganization, or court appointment of a receiver, liquidator or trustee as described above, which event of default shall result in an automatic acceleration) occurs and is continuing, then the applicable trustee or the holders of not less than 25% in principal amount of the outstanding debt securities of that series may declare the principal amount (or, if the debt securities of that series are Original Issue Discount Securities or indexed securities, such portion of the principal amount as may be specified in the terms thereof) of all of the debt securities of that series to be due and payable immediately by written notice thereof to the Operating Partnership and the guarantor (and to the applicable trustee if given by the holders).

However, at any time after the declaration of acceleration with respect to debt securities of a series (or of all debt securities then outstanding under the applicable indenture, as the case may be) has been made, but before a judgment or decree for payment of the money due has been obtained by the applicable trustee, the holders of not less than a majority in principal amount of outstanding debt securities of that series (or of all debt securities then outstanding under such indenture, as the case may be) may rescind and annul such acceleration and its consequences if:

- (1) the Operating Partnership or the guarantor had paid or deposited with the applicable trustee all required payments of the principal of (and premium, if any) and interest on the debt securities of such series (or of all debt securities then outstanding under such indenture, as the case may be), plus certain fees, expenses, disbursements and advances of the applicable trustee; and
- (2) all events of default, other than the non-payment of accelerated principal of (and premium, if any) and interest on the debt securities of such series (or of all debt securities then outstanding under such indenture, as the case may be) have been cured or waived as provided in such indenture.

The indentures also provide or will provide that the holders of not less than a majority in principal amount of the outstanding debt securities of any series (or of all debt securities then outstanding under the applicable indenture, as the case may be) may waive any past default with respect to such series and its consequences, except a default:

- (1) in the payment of the principal of (or premium, if any) or interest on any debt security of such series, or

- (2) in respect of a covenant or provision contained in such indenture that cannot be modified or amended without the consent of the holder of each outstanding debt security affected thereby.

Each indenture requires or will require each trustee to give notice of a default under the indenture to all holders of debt securities within 90 days, unless the default shall have been cured or waived, subject to certain exceptions; provided, however, that the trustee shall be protected in withholding notice to the holders of any series of debt securities of any default with respect to that series (except a default in the payment of the principal of (or premium, if any) or interest on any debt security of that series or in the payment of any sinking fund installment in respect of any debt security of that series) if specified responsible officers of the trustee consider withholding the notice to be in that holders' interest.

Each indenture provides or will provide that no holders of debt securities of any series may institute any proceedings, judicial or otherwise, with respect to the indenture or for any remedy thereunder, except in the case of failure of the trustee, for 60 days, to act after it has received a written request to institute proceedings in respect of an event of default from the holders of not less than 25% in principal amount of the outstanding debt securities of that series, as well as an offer of indemnity inconsistent with the written request has been given to the trustee during the 60-day period by holders of a majority in principal amount of the outstanding debt securities of that series. This provision will not prevent, however, any holder of debt securities from instituting suit for the enforcement of payment of the principal of (and premium, if any) and interest on those debt securities at the respective due dates thereof.

Each indenture provides or will provide that, subject to provisions in the Trust Indenture Act of 1939 relating to its duties in case of default, the trustee is under no obligation to exercise any of its rights or powers under the indenture at the request or direction of any holders of any series of the debt securities then outstanding under the indenture, unless those holders shall have offered to the trustee reasonable security or indemnity. The holders of not less than a majority in principal amount of the outstanding debt securities of any series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the trustee, or of exercising any trust or power conferred upon the trustee; provided that the direction shall not conflict with any rule of law or the indenture, and provided further that the trustee may refuse to follow any direction that may involve the trustee in personal liability or that may be unduly prejudicial to the holders of debt securities of that series not joining in the direction to the trustee.

Within 120 days after the close of each fiscal year, the Operating Partnership and the guarantor must deliver to each trustee a certificate, signed by one of several specified officers, stating whether or not such officer has knowledge of any default under the applicable indenture and, if so, specifying each such default and the nature and status thereof.

Modification of the Indenture

Modifications and amendments of any indenture may be made only with the consent of the holders of not less than a majority in principal amount of all outstanding debt securities of each series issued under the indenture affected by such modification or amendment; provided, however, that no such modification or amendment may, without the consent of the holder of each debt security affected thereby:

- (1) change the stated maturity of the principal of, or any installment of interest (or premium, if any) on, any debt security;
- (2) reduce the principal amount of, or the rate (or manner of calculation of the rate) or amount of interest on, or any premium payable on redemption of, any debt security, or reduce the amount of principal of an Original Issue Discount Security that would be due and payable upon acceleration of the maturity thereof or would be provable in bankruptcy;
- (3) change the place of payment, or the coin or currency, for payment of principal of, or premium, if any, or interest on, any debt security;
- (4) impair the right to institute suit for the enforcement of any payment right with respect to any debt security;
- (5) change any redemption or repayment provisions applicable to any debt security;

- (6) reduce the above-stated percentage of outstanding debt securities of any series necessary to modify or amend the applicable indenture, to waive compliance with certain provisions thereof or certain defaults and consequences thereunder or to reduce the quorum or voting requirements set forth in such indenture;
- (7) modify or affect in any manner adverse to the holders the terms and conditions of the obligations of the guarantor under the related guarantees in respect of the payment of principal (and premium, if any) and interest on any guaranteed securities;
- (8) make any change that adversely affects any right to exchange any debt security;
- (9) in the case of subordinated debt securities, modify any of the subordination provisions in a manner adverse to the holders thereof; or
- (10) modify any of the foregoing provisions or any of the provisions relating to the waiver of certain past defaults or certain covenants, except to increase the required percentage to effect the action or to provide that certain other provisions may not be modified or waived without the consent of the holder of each outstanding debt security.

The holders of not less than a majority in principal amount of a series of outstanding debt securities have the right insofar as that series is concerned, to waive compliance by the Operating Partnership and the guarantor with certain covenants relating to that series of debt securities in the applicable indenture.

Modifications and amendments of each indenture may be made by the Operating Partnership, the Company and the applicable trustee without the consent of any holder of debt securities for any of the following purposes:

- (1) to evidence the succession of another person to the Operating Partnership as obligor under the debt securities issuable under the applicable indenture or the Company as guarantor under the applicable guarantees;
- (2) to add to the covenants of the Operating Partnership or the Company for the benefit of the holders of all or any series of debt securities or to surrender any right or power conferred upon the Operating Partnership or the Company;
- (3) to add events of default for the benefit of the holders of all or any series of debt securities issuable under each indenture;
- (4) to add or change certain provisions of the applicable indenture relating to certain debt securities in bearer form, or to permit or facilitate the issuance of debt securities in uncertificated form, provided that such action shall not adversely affect the interests of the holders of the debt securities of any series issuable under such indenture in any material respect;
- (5) to secure the debt securities;
- (6) to establish the form or terms of debt securities of any series;
- (7) to provide for the acceptance of appointment by a successor trustee or facilitate the administration of the trusts under the applicable indenture by more than one trustee;
- (8) to cure any ambiguity, defect or inconsistency in the applicable indenture, provided that such action shall not adversely affect the interests of holders of debt securities of any series issuable under any indenture in any material respect;
- (9) to supplement any of the provisions of the applicable indenture to the extent necessary to permit or facilitate defeasance and discharge of any series of debt securities, provided that this action shall not adversely affect the interests of the holders of the debt securities of any series issuable under such indenture in any material respect;
- (10) to effect the assumption by the guarantor or a subsidiary thereof to the debt securities then outstanding under the applicable indenture; or

- (11) to amend or supplement any provisions of the applicable indenture, provided that no such amendment or supplement shall materially adversely affect the interests of the holders of any debt securities then outstanding under any indenture.

Each indenture provides or will provide that in determining whether the holders of the requisite principal amount of outstanding debt securities of a series have given any request, demand, authorization, direction, notice, consent or waiver thereunder or whether a quorum is present at a meeting of holders of debt securities:

- (1) the principal amount of an Original Issue Discount Security that shall be deemed to be outstanding shall be the amount of the principal thereof that would be due and payable as of the date of such determination upon declaration of acceleration of the maturity thereof;
- (2) the principal amount of a debt security denominated in a foreign currency that shall be deemed outstanding shall be the U.S. dollar equivalent, determined on the issue date for such debt security, of the principal amount (or, in the case of an Original Issue Discount Security, the U.S. dollar equivalent on the issue date of such debt security of the amount determined as provided above);
- (3) the principal amount of an indexed security that shall be deemed outstanding shall be the principal face amount of the indexed security at original issuance, unless otherwise provided with respect to the indexed security in the applicable indenture; and
- (4) debt securities owned by the Operating Partnership, the Company or any other obligor upon the debt securities or any affiliate of the Operating Partnership, the Company or of such other obligor shall be disregarded.

Each indenture contains or will contain provisions for convening meetings of the holders of debt securities of a series. A meeting may be called at any time by the applicable trustee, and also, upon request, by the Operating Partnership, the Company (in respect of a series of guaranteed securities) or request of the holders of at least 10% in principal amount of the outstanding debt securities of such series, in any such case upon notice given as provided in the indenture. Except for any consent or waiver that must be given by the holder of each debt security affected by the indenture, any resolution presented at a meeting or adjourned meeting duly reconvened at which a quorum is present may be adopted by the affirmative vote of the holders of a majority in principal amount of the outstanding debt securities of that series; provided, however, that, except as referred to above, any resolution with respect to any request, demand, authorization, direction, notice, consent, waiver or other action that may be made, given or taken by the holders of a specified percentage, which is less than a majority, in principal amount of the outstanding debt securities of a series may be adopted at a meeting or adjourned meeting duly reconvened at which a quorum is present by the affirmative vote of the holders of such specified percentage in principal amount of the outstanding debt securities of that series. Any resolution passed or decision taken at any meeting of holders of debt securities of any series duly held in accordance with the applicable indenture will be binding on all holders of debt securities of that series. The quorum at any meeting called to adopt a resolution, and at any reconvened meeting, will be persons holding or representing a majority in principal amount of the outstanding debt securities of a series; provided, however, that if any action is to be taken at a meeting with respect to a consent or waiver which may be given by the holders of not less than a specified percentage in principal amount of the outstanding debt securities of a series, the persons holding or representing the specified percentage in principal amount of the outstanding debt securities of that series will constitute a quorum.

Subordination

Upon any distribution of assets of the Operating Partnership upon any dissolution, winding up, liquidation or reorganization, the payment of the principal of (and premium, if any) and interest on subordinated debt securities is to be subordinated to the extent provided in the subordinated indenture in right of payment to the prior payment in full of all senior indebtedness, but the obligation of the Operating Partnership to make payment of the principal (and premium, if any) and interest on the subordinated debt securities will not otherwise be affected. In addition, no payment on account of principal (or premium, if any), or interest, may be made on the subordinated debt securities at any time unless full payment of all amounts due in respect of the senior indebtedness has been made or duly provided for in money or money's worth.

In the event that, notwithstanding the foregoing, any such payment by the Operating Partnership is received by the trustee or the holders of any of the subordinated debt securities before all senior indebtedness is paid in full, such payment or distribution shall be paid over to the holders of the senior indebtedness or any representative on their behalf for application to the payment of all of the senior indebtedness remaining unpaid until all of the senior indebtedness has been paid in full, after giving effect to any concurrent payment or distribution to the holders of the senior indebtedness.

Subject to the payment in full of all senior indebtedness upon the payment or distribution of the Operating Partnership, the holders of the subordinated debt securities will be subrogated to the rights of the holders of the senior indebtedness to the extent of payments made to the holders of the senior indebtedness out of the distributive share of the subordinated debt securities. By reason of subordination, in the event of a distribution of assets upon insolvency, certain general creditors of the Operating Partnership may recover more, ratably, than holders of the subordinated debt securities.

Senior indebtedness is defined in the subordinated indenture as the principal of (and premium, if any) and unpaid interest on indebtedness of the Operating Partnership (including indebtedness of others guaranteed by the Operating Partnership), whether outstanding on the date of the subordinated indenture or thereafter created, incurred, assumed or guaranteed, for money borrowed (other than the subordinated debt securities issued under the subordinated indenture), unless in the instrument creating or evidencing the same or pursuant to which the same is outstanding it is provided that such indebtedness is not senior or prior in right of payment to the subordinated debt securities, and renewals, extensions, modifications and refundings of any such indebtedness.

Discharge, Defeasance and Covenant Defeasance

The Operating Partnership may discharge certain obligations to holders of any series of debt securities that have not already been delivered to the applicable trustee for cancellation and that either have become due and payable or will become due and payable within one year (or scheduled for redemption within one year) by irrevocably depositing with the trustee, in trust, funds in such currency or currencies, currency unit or units or composite currency or currencies in which the debt securities are payable in an amount sufficient to pay the entire indebtedness on the debt securities in respect of principal (and premium, if any) and interest to the date of such deposit (if the debt securities have become due and payable) or to the stated maturity or redemption date, as the case may be.

Each indenture provides or will provide that, unless the provisions of Section 402 thereto are made inapplicable to the debt securities of or within any series pursuant to Section 301 of the applicable indenture, the Operating Partnership may elect either to:

- (1) defease and discharge itself and, if applicable, to discharge the guarantor from any and all obligations with respect to debt securities (except for the obligation to pay additional amounts, if any, upon the occurrence of certain events of tax, assessment or governmental charges with respect to payments on the debt securities and the obligations to register the transfer or exchange of such debt securities, to replace temporary or mutilated, destroyed, lost or stolen debt securities, to maintain an office or agency in respect of the debt securities and to hold moneys for payment in trust) (“defeasance”); or
- (2) release the Operating Partnership and the guarantor from certain obligations of the applicable indenture (including the restrictions described under “— Certain Covenants”) and if provided pursuant to Section 301 or Section 901 of the applicable indenture, their obligations with respect to any other covenant, and any omission to comply with such obligations shall not constitute a default or an Event or Default with respect to such debt securities of any series (“covenant defeasance”), in either case upon the irrevocable deposit by the Operating Partnership or the guarantor with the trustee, in trust, of an amount, in such currency or currencies, currency unit or units or composite currency or currencies in which those debt securities are payable at stated maturity, or Government Obligations (as defined below), or both, applicable to those debt securities through the scheduled payment of principal and interest in accordance with their terms will provide money in an amount sufficient to pay the principal of (and premium, if any) and

interest on those debt securities, and any mandatory sinking fund or analogous payments on those debt securities, on the scheduled due dates.

A trust may only be established if, among other things, the Operating Partnership or, if applicable, the guarantor has delivered to the applicable trustee an opinion of counsel (as specified in the applicable indenture) to the effect that the holders of those debt securities will not recognize income, gain or loss for U.S. federal income tax purposes as a result of the defeasance or covenant defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if the defeasance or covenant defeasance had not occurred, and such opinion of counsel, in the case of defeasance, must refer to and be based upon a ruling of the Internal Revenue Service or a change in applicable United States federal income tax law occurring after the date of the applicable indenture.

“*Government Obligations*” means securities that are (1) direct obligations of the United States of America or the government or governments in the confederation which issued the foreign currency in which the principal of or any premium or interest on the debt securities of a particular series are payable, for the payment of which its full faith and credit is pledged or (2) obligations of a person controlled or supervised by and acting as an agency or instrumentality of the United States of America or other government which issued the foreign currency in which the debt securities of that series are payable, the payment of which is unconditionally guaranteed as a full faith and credit obligation by the United States of America or the other government, which, in either case, are not callable or redeemable at the option of the issuer thereof, and shall also include a depository receipt issued by a bank or trust company as custodian with respect to any Government Obligation or a specific payment of interest on or principal of any such Government Obligation held by a custodian for the account of the holder of a depository receipt, provided that (except as required by law) the custodian is not authorized to make any deduction from the amount payable to the holder of such depository receipt from any amount received by the custodian in respect of the Government Obligation or the specific payment of interest on or principal of the Government Obligation evidenced by such depository receipt.

Unless otherwise provided in the applicable prospectus supplement, if after the Operating Partnership or the guarantor has deposited funds and/or Government Obligations to effect defeasance or covenant defeasance with respect to debt securities of any series:

- (1) the holder of a debt security of that series is entitled to, and does, elect pursuant to the applicable indenture or the terms of that debt security to receive payment in a currency, currency unit or composite currency other than that in which the deposit has been made in respect of that debt security; or
- (2) a Conversion Event (as defined below) occurs in respect of the currency, currency unit or composite currency in which the deposit has been made.

Then the indebtedness represented by that debt security shall be deemed to have been, and will be, fully discharged and satisfied through the payment of the principal of (and premium, if any) and interest on that debt security as they become due out of the proceeds yielded by converting the amount so deposited in respect of that debt security into the currency, currency unit or composite currency in which the debt security becomes payable as a result of such election or such Conversion Event based on the applicable market exchange rate. “Conversion Event” means the cessation of use of:

- (1) a currency, currency unit or composite currency both by the government of the country which issued such currency and for the settlement of transactions by a central bank or other public institutions of or within the international banking community;
- (2) the ECU, both within the European Monetary System and for the settlement of transactions by public institutions of or within the European Community; or
- (3) any currency unit or composite currency other than the ECU for the purposes for which it was established. Unless otherwise provided in the applicable prospectus supplement, after the deposit of funds and/or Government Obligations referred to above, all payments of principal of (and premium, if any) and interest on any debt security that is payable in a foreign currency that ceases to be used by its government of issuance shall be made in U.S. dollars.

In the event the Operating Partnership effects a covenant defeasance with respect to any debt securities and those debt securities are declared due and payable because of the occurrence of certain events of default other than the event of default described in clause 4 under “— Events of Default, Notice and Waiver” with respect to sections no longer applicable to the debt securities or described in clause 8 thereunder with respect to any other covenant as to which there has been covenant defeasance, the amount in such currency, currency unit or composite currency in which the debt securities are payable, and Government Obligations on deposit with the trustee, will be sufficient to pay amounts due on the debt securities at the time of their stated maturity but may not be sufficient to pay amounts due on the debt securities at the time of the acceleration resulting from the event of default. However, the Operating Partnership and the guarantor would remain liable to make payment of the amounts due at the time of acceleration.

The applicable prospectus supplement may further describe the provisions, if any, permitting the defeasance or covenant defeasance, including any modifications to the provisions described above, with respect to the debt securities of or within a particular series.

No Conversion or Exchange Rights

The debt securities will not be convertible into or exchangeable for any capital stock of the Company or equity interest in the Operating Partnership.

Global Securities

The debt securities of a series may be issued in whole or in part in book-entry form consisting of one or more global securities (the “Global Securities”) that will be deposited with, or on behalf of, a depository identified in the applicable prospectus supplement relating to that series. Global Securities may be issued in either registered or bearer form and in either temporary or permanent form. The specific terms of the depository arrangement with respect to a series of debt securities will be described in the applicable prospectus supplement relating to that series.

Guarantees of Debt Securities

The debt securities will be issued by the Operating Partnership and if the Operating Partnership issues non-convertible investment grade debt securities, the applicable prospectus supplement will provide whether the securities are guaranteed by the Company. If so indicated in the applicable prospectus supplement (and except as provided in the next sentence) the Company, as guarantor, will unconditionally and irrevocably guarantee, on a senior or subordinated basis, the due and punctual payment of principal of, and premium, if any, and interest on, the debt securities, and the due and punctual payment of any sinking fund payments thereon, when and as the same shall become due and payable, whether at stated maturity, upon redemption or otherwise. The additional terms of any guarantee relating to a series of debt securities and whether the Company will guarantee nonconvertible investment grade securities will be set forth in the applicable prospectus supplement. Guarantees will be unsecured obligations of the guarantor. Any right of payment of the holders of senior debt securities under the related guarantee will be prior to the right of payment of the holders of subordinated debt securities under the related guarantee, upon the terms set forth in the applicable prospectus supplement. The guarantees may be subordinated to other indebtedness and obligations of the guarantor to the extent set forth in the applicable prospectus supplement.

For any guarantee, reference is made to the applicable indenture and the applicable prospectus supplement for a description of the specific terms of that guarantee, including any additional covenants of the guarantor, the outstanding principal amount of indebtedness and other obligations, if any that will rank senior to such guarantee and, where applicable, subordination provisions of such guarantee.

DESCRIPTION OF COMMON SHARES

The Company has authority to issue 300,000,000 common shares, \$0.01 par value per share. In this section, the terms “we,” “our” and “us” refer to the Company and not the Operating Partnership. As of February 18, 2026, we had 114,502,948 common shares outstanding.

General

The following description of our common shares sets forth certain general terms and provisions of our common shares to which any prospectus supplement may relate, including a prospectus supplement providing that our common shares will be issuable upon conversion of our preferred shares or upon the exercise of our common shares warrants. The statements below describing our common shares are in all respects subject to and qualified in their entirety by reference to the applicable provisions of our charter and bylaws.

Terms

Each of our outstanding common shares will be entitled to one vote on all matters presented to shareholders for a vote. Holders of our common shares will not have, or be subject to, any pre-emptive or similar rights.

Except for the election of a director to fill a vacancy on the board of directors, the election of directors by holders of one or more class or series of our preferred shares, or in the event of a contested election, directors will be elected by the holders of our common shares at each annual meeting of shareholders by a majority of the votes cast. In the event of a contested election, directors will be elected by a plurality of the votes cast by the shares entitled to vote in the election. Holders of our common shares will not have cumulative voting rights for the election of directors. A director may be removed by a majority of votes cast. If a director is elected by a voting group of shareholders, only the shareholders of that voting group may participate in a vote to remove him.

Our common shares will, when issued, be fully paid and non-assessable. Dividends and other distributions may be paid to the holders of our common shares if and when declared by the board of directors of the Company out of funds legally available therefor.

Under North Carolina law, shareholders are generally not liable for our debts or obligations. Payment and declaration of dividends on our common shares and purchases of our shares are subject to certain limitations under North Carolina law and will be subject to certain restrictions if we fail to pay dividends on one or more series of our preferred shares. See “Description of Preferred Shares.” If we were to experience a liquidation, dissolution or winding up, each of our common shares would, subject to the rights of any holders of our preferred shares to receive preferential distributions, be entitled to participate equally in the assets available for distribution to them after payment of, or adequate provision for, all our known debts and liabilities.

Restrictions on Ownership and Transfer

For us to qualify as a REIT under the Code, not more than 50% in value of our outstanding capital stock may be owned, actually or constructively, by five or fewer individuals during the last half of our taxable year. This requirement is referred to as the “five or fewer” requirement. For purposes of this five or fewer requirement, individuals include the entities that are set forth in Section 542(a)(2) of the Code. Attribution rules in the Code determine if any individual or entity constructively owns our stock under the five or fewer requirement. Our capital stock also must be beneficially owned by 100 or more persons during at least 335 days of a taxable year of 12 months, or during a proportionate part of a shorter taxable year. In addition, rent from related party tenants is not qualifying income for purposes of the gross income tests under the Code. A related party tenant is generally a tenant in which the REIT or an owner of 10% or more of the REIT owns, actually or constructively, 10% or more of the equity interests, by vote or value. To assist us in meeting these requirements, we may take certain actions to limit the actual, beneficial or constructive ownership by a single person or entity of our outstanding equity securities.

Subject to certain exceptions specified in our charter, no shareholder may own, or be deemed to own by virtue of the constructive ownership provisions of the Code, more than 9.8% of our outstanding common shares. The constructive ownership rules are complex and may cause common shares owned actually or constructively by a group of related individuals and/or entities to be constructively owned by one individual

or entity. As a result, the acquisition of less than 9.8% of our outstanding common shares (or the acquisition of an interest in an entity which owns our common shares) by an individual or entity could cause that individual or entity (or another individual or entity) to constructively own in excess of 9.8% of our outstanding common shares, and thus subject those common shares to the ownership limit in our charter.

If the board of directors shall at any time determine in good faith that a person intends to acquire or own, has attempted to acquire or own or may acquire or own common shares in the Company in violation of the above limit, the board of directors shall take such action as it deems advisable to refuse to give effect to, or to prevent such ownership or acquisition, including, but not limited to, the redemption of our common shares, refusal to give effect to the ownership or acquisition on our books or instituting proceedings to enjoin such ownership or acquisition.

The board of directors may waive the limit with respect to a particular shareholder if evidence satisfactory to the board of directors is presented that such ownership will not then or in the future jeopardize our status as a REIT. As a condition of such waiver, the board of directors may require opinions of counsel satisfactory to it and/or an undertaking from the applicant with respect to preserving our REIT status. If our common shares are issued in excess of the ownership limit in our charter, or if our shares are transferred in a way that would cause our shares to be beneficially owned by fewer than 100 persons, then the issuance or transfer shall be void, and the intended transferee will acquire no rights to our shares.

The ownership limits described above will be automatically removed if our board of directors determines that it is no longer in our best interest to attempt to qualify, or to continue to qualify, as a REIT. Except as otherwise described above, any change in our ownership limits would require an amendment to our charter. Except for an amendment that would create dissenters' rights, an amendment to our charter requiring shareholder approval will be adopted if the number of votes cast for it exceeds the number of votes cast against it at a shareholder meeting at which a quorum exists. In addition to preserving our status as a REIT, the ownership limit may have the effect of precluding an acquisition of control of the REIT without the approval of the board of directors.

All certificates representing our common shares will bear a legend referring to the restrictions described above.

All persons who own a specified percentage (or more) of our outstanding capital shares must annually file an affidavit with us containing information regarding their ownership of our capital shares, as set forth in the applicable treasury regulations promulgated under the Code ("Treasury Regulations"). Under current Treasury Regulations, the percentage is set between 0.5% and 5%, depending on the number of record holders of our capital shares. In addition, each shareholder shall upon demand be required to disclose to us in writing the information with respect to the direct, indirect and constructive ownership of our capital shares as the board of directors deems necessary to comply with the provisions of the Code applicable to a REIT or to comply with the requirements of any taxing authority or governmental agency.

Transfer Agent

The registrar and transfer agent for our common shares is Computershare Trust Company, NA.

Anti-Takeover Considerations

In addition to the above, our charter and bylaws contain provisions that could delay, defer, or prevent a change in control of the Company or management. These provisions could also discourage a proxy contest and make it more difficult for shareholders to elect directors and take other corporate actions. As a result, these provisions could limit the price that investors are willing to pay in the future for our common shares. Such provisions include, but are not limited to, the following:

- Authorizing the board of directors to issue preferred shares;
- Prohibiting cumulative voting in the election of directors;
- Limiting the persons who may call special meetings of shareholders;
- The prohibition of shareholder action by less than unanimous written consent without a meeting; and
- Establishing advance notice requirements for nominations for election to the board of directors and for proposing matters that can be acted on by shareholders at shareholder meetings.

DESCRIPTION OF COMMON SHARE WARRANTS

The Company may issue warrants to purchase its common shares. In this section, the terms “we,” “our” and “us” refer to the Company and not the Operating Partnership. These warrants may be issued independently or together with any other securities offered pursuant to any prospectus supplement and may be attached to or separate from such securities. The following summary of material provisions of the warrants and warrant agreements are subject to and qualified in their entirety by reference to all provisions of the warrant agreement and warrant certificate applicable to a particular series of warrants. Each series of warrants, the terms of which may differ from the terms described below, will be issued under a separate warrant agreement to be entered into between us and a warrant agent specified in the applicable prospectus supplement. The warrant agent will act solely as our agent in connection with the warrants and will not assume any obligation or relationship of agency or trust for or with any holders or beneficial owners of the warrants.

The applicable prospectus supplement will describe the specific terms of the warrants offered thereby, including, where applicable, the following:

- (1) the title of the warrants;
- (2) the aggregate number of the warrants;
- (3) the price or prices at which the warrants will be issued;
- (4) the designation, number and terms of the common shares purchasable upon exercise of the warrants;
- (5) the designation and terms of the other securities with which the warrants are issued and the number of the warrants issued with each security;
- (6) the date, if any, on and after which the warrants and the related common shares will be separately transferable;
- (7) the price at which each common shares purchasable upon exercise of the warrants may be purchased;
- (8) the date on which the right to exercise the warrants shall commence and the date on which that right shall expire;
- (9) the minimum or maximum number of warrants which may be exercised at any one time;
- (10) information with respect to book-entry procedures, if any;
- (11) a discussion of certain material federal income tax considerations; and
- (12) any other material terms of the warrants, including terms, procedures and limitations relating to the exchange and exercise of the warrants.

The Company is authorized to issue 1,000,000 Class A Preferred Shares, 8,000,000 Class B Preferred Shares, 8,000,000 Class C Preferred Shares, 8,000,000 Class D Preferred Shares, 4,000,000 Class E Preferred Shares, 4,000,000 Class F Preferred Shares, 4,000,000 Class G Preferred Shares and 4,000,000 Class H Preferred Shares. As of February 18, 2026, no preferred shares were outstanding. In this section, the terms “we,” “our” and “us” refer to the Company and not the Operating Partnership.

The following description of our preferred shares sets forth certain general terms and provisions of the preferred shares to which any prospectus supplement may relate. The statements below describing the preferred shares are in all respects subject to and qualified in their entirety by reference to the applicable provisions of our charter.

Subject to limitations prescribed by North Carolina law and our charter, the board of directors shall determine, in whole or in part, the preferences, limitations and relative rights of any class or series of our preferred shares, including such provisions as may be desired concerning voting, redemption, dividends, dissolution or the distribution of assets, conversion, and such other subjects or matters as may be determined by the board of directors. Such determination by the board of directors is subject to the following limitations: (1) the shares of any such other class of preferred shares may rank on parity with or junior to Class A Preferred Shares and Class C Preferred Shares but may not have rights or preferences with respect to distributions or to dissolution that are prior or superior to the Class A Preferred Shares and Class C

Preferred Shares and (2) the preferences, limitations and relative rights of such other class of preferred shares shall not otherwise alter or abolish a preferential right of the Class A Preferred Shares, Class B Preferred Shares or of the Class C Preferred Shares.

The prospectus supplement relating to the preferred shares offered thereby will include specific terms of any preferred shares offered, including, if applicable:

- (1) the title of the preferred shares;
- (2) the number of preferred shares offered, the liquidation preference per share and the offering price of the preferred shares;
- (3) the dividend rate(s), period(s) and/or payment date(s) or method(s) of calculation thereof applicable to the preferred shares;
- (4) whether the preferred shares are cumulative or not and, if cumulative, the date from which dividends on the preferred shares shall accumulate;
- (5) the procedures for any auction and remarketing, if any, for the preferred shares;
- (6) the provision for a sinking fund, if any, for the preferred shares;
- (7) the provision for redemption, if applicable, of the preferred shares;
- (8) any listing of the preferred shares on any securities exchange;
- (9) the terms and conditions, if applicable, upon which the preferred shares will be convertible into common shares, including the conversion price (or manner of calculation thereof);
- (10) a discussion of federal income tax considerations applicable to the preferred shares;
- (11) any limitations on actual, beneficial or constructive ownership and restrictions on transfer, in each case as may be appropriate to preserve our REIT status;
- (12) the relative ranking and preferences of the preferred shares as to dividend rights and rights upon liquidation, dissolution or winding up of our affairs;
- (13) any limitations on issuance of any series or class of preferred shares ranking senior to or on a parity with such series or class of preferred shares as to dividend rights and rights upon liquidation, dissolution or winding up of our affairs; and
- (14) any other specific terms, preferences, rights, limitations or restrictions of the preferred shares.

Rank

Unless otherwise specified in the applicable prospectus supplement, the preferred shares will rank, with respect to rights to the payment of dividends and distribution of our assets and rights upon our on, dissolution or winding up:

- (1) senior to all classes or series of common shares and to all equity securities ranking junior to the preferred shares stock rights to the payment of dividends and distribution of our assets and rights upon our liquidation, dissolution or winding up;
- (2) on a parity with all equity securities issued by us with terms specifically providing that those equity securities rank on a parity with the preferred shares with respect to rights to the payment of dividends and distribution of our assets and rights upon our liquidation, dissolution or winding up; and
- (3) junior to all equity securities issued by us with terms specifically providing that those equity securities rank senior to the preferred shares with respect to rights to the payment of dividends and distribution of our assets and rights upon our liquidation, dissolution or winding up.

For these purposes, the term “equity securities” does not include convertible debt securities.

Dividends

Holders of our preferred shares of each series or class shall be entitled to receive, when, as and if authorized and declared by our board of directors, out of our assets legally available for payment, dividends

at rates and on dates and terms as will be set forth in the applicable prospectus supplement. Each dividend shall be payable to holders of record as they appear on our stock transfer books on the record dates as shall be fixed by our board of directors.

Dividends on any series or class of our preferred shares may be cumulative or noncumulative, as provided in the applicable prospectus supplement. Dividends, if cumulative, will be cumulative from and after the date set forth in the applicable prospectus supplement. If our board of directors fails to authorize a dividend payable on a dividend payment date on any series or class of preferred shares for which dividends are noncumulative, then the holders of such series or class of preferred shares will have no right to receive a dividend in respect of the dividend period ending on that dividend payment date, and we will have no obligation to pay the dividend accrued for such period, whether or not dividends on such series or class are declared or paid for any future period.

If any preferred shares of any series or class are outstanding, no full dividends shall be authorized or paid or set apart for payment on the preferred shares of any other series or class ranking, as to dividends, on a parity with or junior to the preferred shares of that series or class for any period unless:

- (1) the series or class of preferred shares has a cumulative dividend, then full cumulative dividends have been or contemporaneously are authorized and paid or authorized and a sum sufficient for the payment thereof is set apart for such payment on the preferred shares of such series or class for all past dividend periods and the then current dividend period; or
- (2) the series or class of preferred shares does not have a cumulative dividend, then full dividends for the then current dividend period have been or contemporaneously are authorized and paid or authorized and a sum sufficient for the payment thereof is set apart for the payment on the preferred shares of such series or class.

When dividends are not paid in full (or a sum sufficient for the full payment thereof is not set apart) upon the preferred shares of any series or class and the shares of any other series or class of preferred shares ranking on a parity as to dividends with the preferred shares of that series or class, then all dividends authorized on preferred shares of that series or class and any other series or class of preferred shares ranking on a parity as to dividends with that preferred shares shall be authorized pro rata so that the amount of dividends authorized per share on the preferred shares of that series or class and such other series or class of preferred shares shall in all cases bear to each other the same ratio that accrued and unpaid dividends per share on the preferred shares of such series or class (which shall not include any accumulation in respect of unpaid dividends for prior dividend periods if the preferred shares do not have a cumulative dividend) and such other series or class of preferred shares bear to each other. No interest, or sum of money in lieu of interest, shall be payable in respect of any dividend payment or payments on preferred shares of such series or class that may be in arrears.

Except as provided in the immediately preceding paragraph, unless:

- (1) in the case of a series or class of preferred shares that has a cumulative dividend, full cumulative dividends on the preferred shares of such series or class have been or contemporaneously are authorized and paid or authorized and a sum sufficient for the payment thereof is set apart for payment for all past dividend periods and the then current dividend period; and
- (2) in the case of a series or class of preferred shares that does not have a cumulative dividend, full dividends on the preferred shares of such series or class have been or contemporaneously are authorized and paid or authorized and a sum sufficient for the payment thereof is set apart for payment for the then current dividend period, then no dividends (other than in the common shares or other shares of ours ranking junior to the preferred shares of that series or class as to dividends and as to the distribution of assets upon liquidation, dissolution or winding up of the Company) shall be authorized or paid or set aside for payment nor shall any other distribution be authorized or made on the common shares or any other class or series of shares of ours ranking junior to or on a parity with the preferred shares of that series or class as to dividends or as to the distribution of assets upon liquidation, dissolution or winding up of the Company, nor shall any common shares or any other shares of ours ranking junior to or on a parity with the preferred shares of that series or class as to dividends or as to the distribution of assets upon liquidation, dissolution or winding up of the Company be redeemed, purchased or otherwise acquired for any consideration (or any amounts be paid to or made available for a sinking fund for the redemption of any shares of any such stock) by us (except by conversion into or exchange for other shares of ours ranking

junior to the preferred shares of that series or class as to dividends and as to the distribution of assets upon liquidation, dissolution or winding up of the Company); provided, however, that the foregoing shall not prevent the purchase or acquisition of our shares to preserve our status as a REIT for federal income tax purposes.

Any dividend payment made on shares of a series or class of preferred shares shall first be credited against the earliest accrued but unpaid dividend due with respect to shares of that series or class that remains payable.

Redemption

If the applicable prospectus supplement so states, the preferred shares will be subject to mandatory redemption or redemption at our option, in whole or in part, in each case on the terms, at the times and at the redemption prices set forth in that prospectus supplement.

The prospectus supplement relating to a series or class of preferred shares that is subject to mandatory redemption will specify the number of preferred shares that shall be redeemed by us in each year commencing after a date to be specified, at a redemption price per share to be specified, together with an amount equal to all accumulated and unpaid dividends thereon (which shall not, if such preferred shares does not have a cumulative dividend, include any accumulation in respect of unpaid dividends for prior dividend periods) to the date of redemption. The redemption price may be payable in cash or other property, as specified in the applicable prospectus supplement. If the redemption price for preferred shares of any series or class is payable only from the net proceeds of the issuance of our shares, the terms of that preferred shares may provide that, if no such shares shall have been issued or to the extent the net proceeds from any issuance are insufficient to pay in full the aggregate redemption price then due, that preferred shares shall automatically and mandatorily be converted into shares of our applicable stock pursuant to conversion provisions specified in the applicable prospectus supplement. Notwithstanding the foregoing, unless:

- (1) in the case of a series or class of preferred shares that has a cumulative dividend, full cumulative dividends on all outstanding shares of such series or class of preferred shares have been or contemporaneously are authorized and paid or authorized and a sum sufficient for the payment thereof is set apart for payment for all past dividend periods and the then current dividend period; and
- (2) in the case of a series or class of preferred shares that does not have a cumulative dividend, full dividends on the preferred shares of that series or class have been or contemporaneously are authorized and paid or authorized and a sum sufficient for the payment thereof is set apart for payment for the then current dividend period, then no shares of that series or class of preferred shares shall be redeemed unless all outstanding preferred shares of that series or class are simultaneously redeemed; provided, however, that the foregoing shall not prevent the purchase or acquisition of preferred shares of that series or class to preserve our REIT status or pursuant to a purchase or exchange offer made on the same terms to holders of all outstanding preferred shares of that series or class; or
- (3) in the case of a series or class of preferred shares that has a cumulative dividend, full cumulative dividends on all outstanding shares of that series or class of preferred shares have been or contemporaneously are authorized and paid or authorized and a sum sufficient for the payment thereof is set apart for payment for all past dividend periods and the then current dividend period; and
- (4) in the case of a series or class of preferred shares that does not have a cumulative dividend, full dividends on the preferred shares of that series or class have been or contemporaneously are authorized and paid or authorized and a sum sufficient for the payment thereof is set apart for payment for the then current dividend period, we shall not purchase or otherwise acquire directly or indirectly any shares of preferred shares of such series or class (except by conversion into or exchange for shares of ours ranking junior to the preferred shares of that series or class as to dividends and upon liquidation, dissolution and winding up of the Company); provided, however, that the foregoing shall not prevent the purchase or acquisition of preferred shares of such series or class to preserve our REIT status or pursuant to a purchase or exchange offer made on the same terms to holders of all outstanding preferred shares of that series or class.

If fewer than all the outstanding preferred shares of any series or class are to be redeemed, the number of shares to be redeemed will be determined by us and those shares may be redeemed pro rata from the holders of record of those shares in proportion to the number of those shares held by such holders (with adjustments to avoid redemption of fractional shares) or any other equitable method determined by us.

Notice of redemption will be mailed at least 30, but not more than 60, days before the redemption date to each holder of record of a preferred share of any series or class to be redeemed at the address shown on our stock transfer books, and notice of redemption will also be given by publication in *The Wall Street Journal* or, if such newspaper is not then being published, another newspaper of general circulation in The City of New York, such publication to be made at least once a week for two successive weeks commencing not less than 30 nor more than 60 days prior to the redemption date. Each notice shall state:

- (1) The redemption date;
- (2) The number of shares and series or class of the preferred shares to be redeemed;
- (3) The redemption price;
- (4) The place or places (which shall include a place in the Borough of Manhattan, The City of New York) where certificates for the preferred shares are to be surrendered for payment of the redemption price;
- (5) That dividends on the shares to be redeemed will cease to accumulate on the redemption date; and
- (6) The date on which the holder's conversion rights, if any, as to those shares shall terminate.

If fewer than all the preferred shares of any series or class are to be redeemed, the notice mailed to each holder thereof shall also specify the number of preferred shares to be redeemed from each holder and, upon redemption, a new certificate shall be issued representing the unredeemed shares without cost to the holder thereof. If notice of redemption of any preferred shares has been given and if the funds necessary for the redemption have been irrevocably set aside by us in trust for the benefit of the holders of any preferred shares so called for redemption, then from and after the redemption date dividends will cease to accrue on the preferred shares, the preferred shares shall no longer be deemed outstanding and all rights of the holders of the shares will terminate, except the right to receive the redemption price. In order to facilitate the redemption of preferred shares of any series or class, the board of directors may fix a record date for the determination of shares of the series or class of preferred shares to be redeemed.

Notwithstanding the foregoing, the persons who were holders of record of shares of any class or series of preferred shares at the close of business on a record date for the payment of dividends will be entitled to receive the dividend payable on the corresponding dividend payment date notwithstanding the redemption of those shares after the record date and on or prior to the dividend payment date or our default in the payment of the dividend due on that dividend payment date. In that case, the amount payable on the redemption of those preferred shares would not include that dividend. Except as provided in the preceding sentence and except to the extent that accrued and unpaid dividends are payable as part of the redemption price, we will make no payment or allowance for unpaid dividends, whether or not in arrears, on preferred shares called for redemption.

Subject to applicable law and the limitation on purchases when dividends on a series or class of preferred shares are in arrears, we may, at any time and from time to time, purchase any shares of such series or class of preferred shares in the open market, by tender or by private agreement.

Liquidation Preference

Upon any voluntary or involuntary liquidation, dissolution or winding up of the Company's affairs, then, before any distribution or payment will be made to the holders of common shares or any other series or class of shares ranking junior to any series or class of the preferred shares in the distribution of assets upon any liquidation, dissolution or winding up, the holders of that series or class of preferred shares shall be entitled to receive, out of our assets but subject to the preferential rights of the holders of shares of any class or series of our shares ranking senior to such series or class of preferred shares with respect to our distribution of assets of liquidation, dissolution or winding up legally available for distribution to shareholders, liquidating distributions in the amount of the liquidation preference per share (set forth in the applicable prospectus supplement), plus an amount equal to all dividends accrued and unpaid thereon (which shall not include any accumulation in respect of unpaid dividends for prior dividend periods if the

preferred shares do not have a cumulative dividend). After payment of the full amount of the liquidating distributions to which they are entitled, the holders of preferred shares will have no right or claim to any of our remaining assets. If, upon any such voluntary or involuntary liquidation, dissolution or winding up, the legally available assets are insufficient to pay the amount of the liquidating distributions on all outstanding shares of any series or class of preferred shares and the corresponding amounts payable on all shares of other classes or series of shares of the Company ranking on a parity with that series or class of preferred shares in the distribution of assets upon liquidation, dissolution or winding up, then the holders of that series or class of preferred shares and all other such classes or series of capital shares shall share ratably in any such distribution of assets in proportion to the full liquidating distributions to which they would otherwise be respectively entitled.

If liquidating distributions shall have been made in full to all holders of any series or class of preferred shares, our remaining assets will be distributed among the holders of any other classes or series of shares ranking junior to that series or class of preferred shares upon liquidation, dissolution or winding up, according to their respective rights and preferences and in each case according to their respective number of shares. For those purposes, the consolidation or merger of us with or into any other entity, or the sale, lease, transfer or conveyance of all or substantially all of our property or business, shall not be deemed to constitute a liquidation, dissolution or winding up of our affairs.

Voting Rights

Except as set forth below or as otherwise from time to time required by law or as indicated in the applicable prospectus supplement, holders of preferred shares will not have any voting rights.

Subject to adjustment for any dividends on the common shares payable in common shares or subdivision, combination or consolidation of the outstanding common shares, each Class B Preferred Share shall entitle the holder thereof to 100 votes on all matters submitted to a vote of the shareholders of the Company. The holders of Class B Preferred Shares and the holders of common shares and any other capital stock of the Company having general voting rights shall vote together as one class on all matters submitted to a vote of the shareholders of the Company.

Unless provided otherwise for any class or series of preferred shares, so long as any preferred shares remains outstanding, whenever dividends on any preferred shares shall be in arrears for six or more quarterly periods, regardless of whether such quarterly periods are consecutive, the holders of preferred shares (voting separately as a class with all other class or series of cumulative preferred shares upon which like voting rights have been conferred and are exercisable) will be entitled to vote for the election of two additional directors at a special meeting called by an officer of the company at the request of a holder of the class or series of preferred shares or, if the special meeting is not called by an officer of the company within 30 days, at a special meeting called by a holder of the class or series of preferred shares designated by the holders of record of at least 10% of any class or series of preferred shares so in arrears (unless the request is received less than 90 days before the date fixed for the next annual or special meeting of the shareholders) or at the next annual meeting of shareholders, and at each subsequent meeting until:

- (1) if such class or series of Preferred Shares has a cumulative dividend, all dividends accumulated on such Preferred Shares for the past dividend periods and the then current dividend period shall have been fully paid or declared and irrevocably set apart for payment or
- (2) if such class or series of Preferred Shares does not have a cumulative dividend, four consecutive quarterly dividends are paid or declared and irrevocably set apart for payment. In such case, the entire Board of Directors of the Company will be increased by two directors.

Unless provided otherwise in the applicable prospectus supplement, for any class or series of preferred shares, so long as any preferred shares remains outstanding, the company shall not, without the affirmative vote or consent of the holders of at least 66 $\frac{2}{3}$ % of the shares of each class or series of preferred shares outstanding at the time, given in person or by proxy, either in writing or at a meeting (with each class or series of preferred shares that is affected by the following voting separately as a class):

- (1) authorize or create, or increase the authorized or issued amount of, any class or series of equity securities ranking senior to such class or series of preferred shares with respect to payment of dividends or the distribution of assets upon liquidation, dissolution or winding up of the Company

or reclassify any authorized securities of the Company into any such equity securities, or create, authorize or issue any obligation or security convertible into or evidencing the right to purchase any such equity securities; or

- (2) amend, alter or repeal the provisions of the charter including the articles supplementary for such class or series of preferred shares, whether by merger, consolidation or otherwise, so as to materially and adversely affect any right, preference, privilege or voting power of such class or series of preferred shares or the holders thereof; provided, however, that any increase in the amount of the authorized preferred shares or the creation or issuance of any other class or series of preferred shares, or any increase in the amount of authorized shares of such class or series or any other class or series of preferred shares, in each case ranking on a parity with or junior to the preferred shares of such class or series with respect to payment of dividends and the distribution of assets upon liquidation, dissolution or winding up of the company, shall not be deemed to materially and adversely affect such rights, preferences, privileges or voting powers.

The foregoing voting provisions will not apply if, at or prior to the time when the act with respect to which such vote would otherwise be required shall be effected, all outstanding shares of such class or series of preferred shares shall have been redeemed or called for redemption and sufficient funds shall have been irrevocably deposited in trust to effect such redemption.

Under the North Carolina Business Corporation Act, the holders of each class of outstanding Preferred Shares are entitled to vote as a separate voting group (if shareholder voting is otherwise required by that Act and even though the charter may provide that such shares are nonvoting shares) on a proposed amendment to our charter if the amendment would affect such class of Preferred Shares in ways specified in that Act, including an increase or decrease in the number of authorized Preferred Shares of such class, a change in the designation, rights, preferences or limitations of all or part of the class of Preferred Shares or the creation of a new class of stock having rights or preferences with respect to the payment of dividends or the distribution of assets upon liquidation, dissolution or winding up of the company that are prior, superior or substantially equal to the rights of the class of Preferred Shares.

Conversion Rights

The terms and conditions, if any, upon which shares of any class or series of preferred shares are convertible into common shares will be set forth in the applicable prospectus supplement relating thereto. Such terms will include the number of common shares into which the preferred shares are convertible, the conversion price (or manner of calculation thereof), the conversion period, provisions as to whether conversion will be at our option or the option of the holders of the preferred shares, the events requiring an adjustment of the conversion price and provisions affecting conversion in the event of the redemption of preferred shares. If a proposed amendment to our charter entitles two or more series of Preferred Shares to vote as separate voting groups and the amendment would affect those series in the same or a substantially similar way, the shares of all the series so affected must vote together as a single voting group on the proposed amendment.

Restrictions on Ownership and Transfer

As discussed above under “Description of Common Shares — Restrictions on Ownership and Transfer,” for us to qualify as a REIT under the Code, not more than 50% in value of our outstanding capital stock may be owned, actually or constructively, by five or fewer individuals during the last half of a taxable year. This requirement is referred to as the “five or fewer” requirement. For purposes of this five or fewer requirement, individuals include the entities that are set forth in Section 542(a)(2) of the Code. Attribution rules in the Code determine if any individual or entity constructively owns our stock under the five or fewer requirement. Our capital stock must also be beneficially owned by 100 or more persons during at least 335 days of a taxable year of 12 months, or during a proportionate part of a shorter taxable year. In addition, rent from related party tenants is not qualifying income for purposes of the gross income tests under the Code. A related party tenant is generally a tenant in which the REIT or an owner of 10% or more of the REIT owns, actually or constructively, 10% or more of the equity interests, by vote or value. Therefore, with regard to our charter each class or series of preferred shares will contain provisions restricting the ownership and transfer of the preferred shares. Except as otherwise described in the applicable prospectus supplement relating thereto, the provisions of our charter relating to the ownership limit for any class or series of preferred shares will provide as follows:

Our preferred share ownership limit provision will provide that, subject to certain exceptions, no holder of preferred shares may own, or be deemed to own by virtue of the constructive ownership provisions of the Code, preferred shares in excess of the lesser of:

- (1) 9.8% of the outstanding preferred shares of any class or series;
- (2) if the preferred shares are convertible into common shares, an amount of preferred shares which, if so converted at a time when all outstanding convertible shares were converted into common shares, would cause any person to own, actually or constructively, common shares in violation of the ownership limit;
- (3) an amount of preferred shares which would result in us being “closely held” under Section 856(h) of the Code (without regard to whether the preferred shares are held during the last half of a taxable year) or would otherwise result in our failing to qualify as a REIT; or
- (4) an amount of preferred shares which would cause any person to own, actually or constructively, more than 9.8% of the value of our outstanding capital shares (in the aggregate).

The constructive ownership rules are complex and may cause preferred shares owned actually or constructively by a group of related individuals and/or entities to be deemed to be actually or constructively owned by one individual or entity. As a result, the acquisition of preferred shares (or the acquisition of an interest in any entity which owns our preferred shares or common shares) by an individual or entity could cause that individual or entity (or another individual or entity) to constructively own preferred shares in excess of the preferred share ownership limit.

The board of directors will be entitled to waive the preferred share ownership limit with respect to a particular shareholder if evidence satisfactory to the board of directors is presented that such ownership will not then or in the future jeopardize our status as a REIT. As a condition of such waiver, the board of directors may require opinions of counsel satisfactory to it and/or an undertaking from the applicant with respect to preserving our REIT status.

All certificates representing preferred shares will bear a legend referring to the restrictions described above.

All persons who own a specified percentage (or more) of our outstanding capital shares must annually file an affidavit with us containing information regarding their ownership of shares as set forth in the applicable Treasury Regulations. Under current Treasury Regulations, the percentage is set between 0.5% and 5%, depending on the number of record holders of capital shares. In addition, each shareholder shall upon demand be required to disclose to us in writing the information with respect to the direct, indirect, and constructive ownership of our capital shares as the board of directors deems necessary to comply with the provisions of the Code applicable to a REIT or to comply with the requirements of any taxing authority or governmental agency.

DESCRIPTION OF DEPOSITARY SHARES

General

The Company may issue depositary receipts for depositary shares, each of which will represent a fractional interest of a share of a particular class or series of our preferred shares, as specified in the applicable prospectus supplement. In this section, the terms “we,” “our” and “us” refer to the Company and not the Operating Partnership. Preferred shares of each class or series represented by depositary shares will be deposited under a separate deposit agreement among the Company, the depositary named therein and the holders from time to time of the depositary receipts. Subject to the terms of the deposit agreement, each owner of a depositary receipt will be entitled, in proportion to the fractional interest of a share of a particular class or series of preferred shares represented by the depositary shares evidenced by the depositary receipt, to all the rights and preferences of the preferred shares represented by the depositary shares (including dividend, voting, conversion, redemption and liquidation rights).

The depositary shares will be evidenced by depositary receipts issued pursuant to the applicable deposit agreement. Immediately following the issuance and delivery of the preferred shares to the preferred share depositary, we will cause the preferred share depositary to issue, on our behalf, the depositary receipts. Copies of the applicable form of deposit agreement and depositary receipt may be obtained from us upon request, and the following summary is qualified in its entirety by reference thereto. The summary of the terms of the depositary shares contained in this prospectus does not purport to be complete, and is subject to and qualified in its entirety by the provisions of the deposit agreement, our certificate of incorporation and the certificate of designation that are or will be filed with the SEC for the applicable series of preferred shares.

Dividends and Other Distributions

The preferred share depositary will distribute all cash dividends or other cash distributions received in respect of the preferred shares to the record holders of depositary receipts evidencing the related depositary shares in proportion to the number of the depositary receipts owned by such holders, subject to certain obligations of holders to file proofs, certificates and other information and to pay certain charges and expenses to the preferred share depositary.

In the event of a distribution other than in cash, the preferred share depositary will distribute property received by it to the record holders of depositary receipts entitled thereto, subject to certain obligations of holders to file proofs, certificates and other information and to pay certain charges and expenses to the preferred share depositary, unless the preferred share depositary determines that it is not feasible to make such distribution, in which case the preferred share depositary may, with our approval sell such property and distribute the net proceeds from such sale to such holders.

Withdrawal

Upon surrender of the depositary receipts at the corporate trust office of the preferred share depositary (unless the related depositary shares have previously been called for redemption or converted), the holders thereof will be entitled to delivery at such office, to or upon such holder’s order, of the number of whole or fractional preferred shares and any money or other property represented by the depositary shares evidenced by the depositary receipts. Holders of depositary receipts will be entitled to receive whole or fractional shares of the related preferred shares on the basis of the proportion of preferred shares represented by each depositary share as specified in the applicable prospectus supplement, but holders of such preferred shares will not thereafter be entitled to receive depositary shares therefor. If the depositary receipts delivered by the holder evidence a number of depositary shares in excess of the number of depositary shares representing the number of preferred shares to be withdrawn, the preferred share depositary will deliver to such holder at the same time a new depositary receipt evidencing such excess number of depositary shares.

Redemption

Whenever we redeem preferred shares held by the preferred share depositary, the preferred share depositary will redeem as of the same redemption date the number of depositary shares representing the preferred shares so redeemed, provided we shall have paid in full to the preferred share depositary the redemption price of the preferred shares to be redeemed plus an amount equal to any accrued and unpaid

dividends thereon to the date fixed for redemption. The redemption price per depositary share will be equal to the related fractional interest of the redemption price and any other amounts per share payable with respect to the preferred shares. If fewer than all the depositary shares are to be redeemed, the depositary shares to be redeemed will be selected pro rata (as nearly as may be practicable without creating fractional depositary shares) or by any other equitable method determined by us that will not result in the automatic redemption of the preferred shares or the automatic conversion of preferred shares into excess preferred shares which are transferred to a charitable trust.

After the date fixed for redemption, the depositary shares so called for redemption will no longer be deemed to be outstanding and all rights of the holders of the depositary receipts evidencing the depositary shares so called for redemption will cease, except the right to receive any moneys payable upon such redemption and any money or other property to which the holders of such depositary receipts are entitled upon such redemption upon surrender thereof to the preferred share depositary.

Voting

Upon receipt of notice of any meeting at which the holders of the preferred shares are entitled to vote, the preferred share depositary will mail the information contained in such notice of meeting to the record holders of the depositary receipts evidencing the depositary shares which represent such preferred shares. Each record holder of depositary receipts evidencing depositary shares on the record date (which will be the same date as the record date for the preferred shares) will be entitled to instruct the preferred share depositary as to the exercise of the voting rights pertaining to the amount of preferred shares represented by such holder's depositary shares. The preferred share depositary will vote the number of preferred shares represented by such depositary shares in accordance with such instructions, and we have agreed to take all reasonable action which may be deemed necessary by the preferred share depositary in order to enable the preferred share depositary to do so. The preferred share depositary will abstain from voting the number of preferred shares represented by the depositary shares to the extent that it does not receive specific instructions from the holders of depositary receipts evidencing such depositary shares. The preferred share depositary shall not be responsible for any failure to carry out any instruction to vote, or for the manner or effect of any such vote made, as long as any such action or non-action is in good faith and does not result from negligence or willful misconduct of the preferred share depositary.

Liquidation Preference

In the event of the liquidation, dissolution or winding up of the Company, whether voluntary or involuntary, the holders of each depositary share will be entitled to the fractional interest of the liquidation preference accorded each preferred share represented by the depositary share evidenced by the depositary receipt, as set forth in the applicable prospectus supplement.

Conversion

The depositary shares, as such, are not convertible or exchangeable into our common shares or any other securities or property, except in connection with certain conversions in connection with the preservation of our status as a REIT. Nevertheless, if the preferred shares represented by the depositary shares are specified in the applicable prospectus supplement to be convertible into common shares or other preferred shares, the depositary receipts evidencing such depositary shares may be surrendered by holders thereof to the preferred share depositary with written instructions to the preferred share depositary to instruct us to cause conversion of the preferred shares into whole common shares or other preferred shares (including excess preferred shares), and we have agreed that upon receipt of such instructions and any amounts payable in respect thereof, we will cause the conversion thereof utilizing the same procedures as those provided for delivery of preferred shares to effect such conversion. If the depositary shares evidenced by a depositary receipt are to be converted in part only, a new depositary receipt or receipts will be issued for any depositary shares not to be converted. No fractional common shares will be issued upon conversion, and if such conversion will result in a fractional share being issued, an amount will be paid in cash by us equal to the value of the fractional interest based upon the closing price of our common shares on the last business day prior to the conversion.

Amendment and Termination of the Deposit Agreement

The depositary receipt evidencing the depositary shares which represent the preferred shares and any provision of the deposit agreement may at any time be amended by agreement between the Company and

the preferred share depositary. However, any amendment that materially and adversely alters the rights of the holders of depositary receipts or that would be materially and adversely inconsistent with the rights granted to the holders of the related preferred shares will not be effective unless such amendment has been approved by the existing holders of at least two-thirds of the depositary shares evidenced by the depositary receipts then outstanding. No amendment shall impair the right, subject to certain exceptions in the depositary agreement, of any holder of depositary receipts to surrender any depositary receipt with instructions to deliver to the holder the related preferred shares and all money and other property, if any, represented thereby, except in order to comply with law. Every holder of an outstanding depositary receipt at the time any such amendment becomes effective shall be deemed, by continuing to hold such Receipt, to consent and agree to such amendment and to be bound by the depositary receipt or deposit agreement, as the case may be, as amended thereby.

We may terminate the deposit agreement upon not less than 30 days' prior written notice to the preferred share depositary if:

- (1) the termination is necessary to preserve our status as a REIT; or
- (2) a majority of each series of preferred shares affected by termination consents to such termination, whereupon the preferred share depositary shall deliver or make available to each holder of depositary receipts, upon surrender of the depositary receipts held by such holder, such number of whole or fractional preferred shares as are represented by the depositary shares evidenced by the depositary receipts, together with any other property held by the preferred share depositary with respect to each depositary receipt.

We have agreed that if the deposit agreement is terminated to preserve our status as a REIT, then we will use our best efforts to list the preferred shares issued upon surrender of the related depositary shares on a national securities exchange. In addition, the deposit agreement will automatically terminate if:

- (1) all outstanding depositary shares shall have been redeemed;
- (2) there shall have been a final distribution in respect of the related preferred shares in connection with any liquidation, dissolution or winding up of the Company and such distribution shall have been distributed to the holders of depositary receipts evidencing the depositary shares representing the preferred shares; or
- (3) all outstanding preferred shares shall have been converted into common shares or other preferred shares.

Charges of Preferred Share Depositary

We will pay all transfer and other taxes and governmental charges arising solely from the existence of the deposit agreement. In addition, we will pay the fees and expenses of the preferred share depositary in connection with the performance of its duties under the deposit agreement. However, holders of depositary receipts will pay certain other transfer and other taxes and governmental charges, as well as the fees and expenses of the preferred share depositary for any duties requested by such holder to be performed which are outside of those expressly provided for in the deposit agreement.

Resignation and Removal of Depositary

The preferred share depositary may resign at any time by delivering to us notice of its election to do so, and we may at any time remove the preferred share depositary, any resignation or removal to take effect upon the appointment of a successor preferred share depositary. A successor preferred share depositary must be appointed within 60 days after delivery of the notice of resignation or removal and must be a bank or trust company having its principal office in the United States and having a combined capital and surplus of at least \$50,000,000.

Miscellaneous

The preferred share depositary will forward to holders of depositary receipts any reports and communications from us which are received by it with respect to the related preferred shares.

Neither we nor the preferred share depositary will be liable if prevented or delayed, by law or any circumstances beyond its control, from performing its obligations under the deposit agreement. Our

obligations, and the preferred share depositary under the deposit agreement will be limited to performing the duties thereunder in good faith and without negligence (in the case of any action or inaction in the voting of preferred shares represented by the depositary shares), gross negligence or willful misconduct, and we and the preferred share depositary will not be obligated to prosecute or defend any legal proceeding in respect of any depositary receipts, depositary shares or any preferred shares represented thereby unless satisfactory indemnity is furnished. We and the Preferred Share Depositary may rely on written advice of counsel or accountants, or information provided by persons presenting preferred shares represented thereby for deposit, holders of depositary receipts or other persons believed in good faith to be competent to give such information, and on documents believed in good faith to be genuine and signed by a proper party.

In the event the preferred share depositary shall receive conflicting claims, requests or instructions from any holders of depositary receipts, on the one hand, and us, on the other hand, the preferred share depositary shall be entitled to act on such claims, requests or instructions received from us.

SELLING SECURITYHOLDERS

Information about selling securityholders, where applicable, will be set forth in a prospectus supplement, in a post-effective amendment, or in filings we make with the SEC under the Exchange Act which are incorporated by reference herein.

FEDERAL INCOME TAX CONSIDERATIONS

A summary of certain U.S. federal income tax considerations to you as a prospective holder of our Offered Securities is set forth in Exhibit 99.1 to our Annual Report on Form 10-K for the fiscal year ended December 31, 2025, and incorporated by reference in this prospectus.

PLAN OF DISTRIBUTION

Sales by Us

We may sell the securities offered by this prospectus to one or more underwriters for public offering and sale by them or may sell the securities offered by this prospectus to investors directly or through agents. Any underwriter or agent involved in the offer and sale of the securities offered by this prospectus will be named in the applicable prospectus supplement. We have reserved the right to sell or exchange securities directly to investors on our or their own behalf in those jurisdictions where we are authorized to do so.

We may distribute the securities from time to time in one or more transactions:

- at a fixed price or prices, which may be changed;
- at market prices prevailing at the time of sale;
- at prices related to such prevailing market prices; or
- at negotiated prices.

Underwriters may offer and sell the securities offered by this prospectus at a fixed price or prices, which may be changed, at prices related to the prevailing market prices at the time of sale or at negotiated prices. We also may, from time to time, authorize underwriters acting as our agents to offer and sell the securities offered by this prospectus upon the terms and conditions as are set forth in the applicable prospectus supplement. In connection with the sale of securities offered by this prospectus, underwriters may be deemed to have received compensation from us in the form of underwriting discounts or commissions and may also receive commissions from purchasers of securities offered by this prospectus for whom they may act as agent. Underwriters may sell the securities offered by this prospectus to or through dealers, and those dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters and/or commissions from the purchasers for whom they may act as agent. If so indicated in the applicable prospectus supplement, the underwriters may reimburse us for some or all of our expenses in an offering.

Any underwriting compensation paid by us to underwriters or agents in connection with the offering of the securities offered by this prospectus, and any discounts, concessions or commissions allowed by underwriters to participating dealers, will be set forth in the applicable prospectus supplement. Underwriters, dealers and agents participating in the distribution of the securities offered by this prospectus may be deemed to be underwriters, and any discounts and commissions received by them and any profit realized by them on resale of the securities offered by this prospectus may be deemed to be underwriting discounts and commissions, under the Securities Act. Underwriters, dealers and agents may be entitled, under agreements entered into with us, to indemnification against and contribution toward certain civil liabilities, including liabilities under the Securities Act.

If so indicated in the applicable prospectus supplement, we will authorize dealers acting as our agents to solicit offers by certain institutions to purchase the securities offered by this prospectus from us at the public offering price set forth in that prospectus supplement pursuant to delayed delivery contracts providing for payment and delivery on the date or dates stated in that prospectus supplement.

Each delayed delivery contract will be for an amount not less than, and the aggregate principal amount of the securities offered by this prospectus sold pursuant to delayed delivery contracts shall be not less nor more than, the respective amounts stated in the applicable prospectus supplement. Institutions with whom delayed delivery contracts, when authorized, may be made include commercial and savings banks, insurance companies, pension funds, investment companies, educational and charitable institutions, and other institutions but will in all cases be subject to our approval. Delayed delivery contracts will not be subject to any conditions except:

- (1) the purchase by an institution of the securities offered by this prospectus covered by its delayed delivery contracts shall not at the time of delivery be prohibited under the laws of any jurisdiction in the United States to which that institution is subject, and
- (2) if the securities offered by this prospectus are being sold to underwriters, we shall have sold to those underwriters the total principal amount of the securities offered by this prospectus less the principal amount thereof covered by delayed delivery contracts.

To facilitate the offering of securities, certain persons participating in the offering may engage in transactions that stabilize, maintain, or otherwise affect the price of the securities. This may include over-allotments or short sales of the securities, which involve the sale by persons participating in the offering of more securities than we sold to them. In these circumstances, these persons would cover such over-allotments or short positions by making purchases in the open market or by exercising their over-allotment option, if any. In addition, these persons may stabilize or maintain the price of the securities by bidding for or purchasing securities in the open market or by imposing penalty bids, whereby selling concessions allowed to dealers participating in the offering may be reclaimed if securities sold by them are repurchased in connection with stabilization transactions. The effect of these transactions may be to stabilize or maintain the market price of the securities at a level above that which might otherwise prevail in the open market. These transactions may be discontinued at any time.

The underwriters and their respective affiliates are full service financial institutions engaged in various activities, which may include securities trading, commercial and investment banking, financial advisory, investment management, investment research, principal investment, hedging, financing and brokerage activities. In the ordinary course of their business activities, the underwriters and their affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers. Such investments and securities activities may involve securities and/or instruments of ours or our subsidiaries. The underwriters and their affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments.

Sales by Selling Securityholders

The selling securityholders may resell or redistribute the Offered Securities from time to time on any stock exchange or automated interdealer quotation system on which the securities are listed, in the over-the-counter market, in privately negotiated transactions, or in any other legal manner, at fixed prices that may be changed, at market prices prevailing at the time of sale, at prices related to prevailing market prices or at negotiated prices. Persons who are pledgees, donees, transferees, or other successors in interest of any of the named selling securityholders (including but not limited to persons who receive securities from a named selling securityholder as a gift, partnership distribution or other nonsale-related transfer after the date of this prospectus) may also use this prospectus and are included when we refer to “selling securityholders” in this prospectus. The selling securityholders may sell the Offered Securities by one or more of the following methods, without limitation:

- block trades (which may include cross trades) in which the broker or dealer so engaged will attempt to sell the securities as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker or dealer as principal and resale by the broker or dealer for its own account;
- an exchange distribution or secondary distribution in accordance with the rules of any stock exchange on which the securities may be listed;
- ordinary brokerage transactions and transactions in which the broker solicits purchases;
- an offering at other than a fixed price on or through the facilities of any stock exchange on which the securities are listed or to or through a market maker other than on that stock exchange;
- privately negotiated transactions, directly or through agents;
- short sales;
- through the writing of options on the securities, whether or the options are listed on an options exchange;
- through the distribution of the securities by any securityholders to its partners, members or shareholders;
- one or more underwritten offerings;

- agreements between a broker or dealer and any securityholder to sell a specified number of the securities at a stipulated price per share; and
- any combination of any of these methods of sale or distribution, or any other method permitted by applicable law.

The selling securityholders may also transfer the securities by gift.

The selling securityholders may engage brokers and dealers, and any brokers or dealers may arrange for other brokers or dealers to participate in effecting sales of the Offered Securities. These brokers, dealers or underwriters may act as principals, or as an agent of a selling securityholder. Broker-dealers may agree with a selling securityholder to sell a specified number of the securities at a stipulated price per share. If the broker-dealer is unable to sell securities acting as agent for a selling securityholder, it may purchase as principal any unsold securities at the stipulated price. Broker-dealers who acquire Offered Securities as principals may thereafter resell the Offered Securities from time to time in transactions in any stock exchange or automated interdealer quotation system on which the Offered Securities are then listed, at prices and on terms then prevailing at the time of sale, at prices related to the then-current market price or in negotiated transactions. Broker-dealers may use block transactions and sales to and through broker-dealers, including transactions of the nature described above.

From time to time, one or more of the selling securityholders may pledge, hypothecate or grant a security interest in some or all of the Offered Securities owned by them. The pledgees, secured parties or persons to whom the Offered Securities have been hypothecated will, upon foreclosure in the event of default, be deemed to be selling securityholders. The number of a selling securityholder's Offered Securities offered under this prospectus will decrease as and when it takes such actions. The plan of distribution for that selling securityholder's Offered Securities will otherwise remain unchanged. In addition, a selling securityholder may, from time to time, sell the Offered Securities short, and, in those instances, this prospectus may be delivered in connection with the short sales and the Offered Securities offered under this prospectus may be used to cover short sales.

The selling securityholders and any underwriters, brokers, dealers or agents that participate in the distribution of the Offered Securities may be deemed to be "underwriters" within the meaning of the Securities Act, and any discounts and commissions received by them from us or from purchasers of the securities and any profit realized by them on resale of the Offered Securities may be deemed to be underwriting discounts and commissions under the Securities Act.

A selling securityholder may enter into hedging transactions with broker-dealers and the broker-dealers may engage in short sales of the Offered Securities in the course of hedging the positions they assume with that selling securityholder, including, without limitation, in connection with distributions of the Offered Securities by those broker-dealers. A selling securityholder may enter into option or other transactions with broker-dealers that involve the delivery of the Offered Securities offered hereby to the broker-dealers, who may then resell or otherwise transfer those Offered Securities. A selling securityholder may also loan or pledge the Offered Securities offered hereby to a broker-dealer and the broker-dealer may sell the Offered Securities offered hereby so loaned or upon a default may sell or otherwise transfer the pledged Offered Securities offered hereby.

The selling securityholders and other persons participating in the sale or distribution of the Offered Securities will be subject to applicable provisions of the Exchange Act and the related rules and regulations adopted by the SEC, including Regulation M. This regulation may limit the timing of purchases and sales of any of the Offered Securities by the selling securityholders and any other person. The anti-manipulation rules under the Exchange Act may apply to sales of Offered Securities in the market and to the activities of the selling securityholders and their affiliates. Furthermore, Regulation M may restrict the ability of any person engaged in the distribution of the Offered Securities to engage in market-making activities with respect to the particular securities being distributed for a period of up to five business days before the distribution. These restrictions may affect the marketability of the Offered Securities and the ability of any person or entity to engage in market-making activities with respect to the securities.

We may agree to indemnify the selling securityholders and their respective officers, directors, employees and agents, and any underwriter or other person who participates in the offering of the Offered Securities,

against specified liabilities, including liabilities under the federal securities laws or to contribute to payments the underwriters may be required to make in respect of those liabilities. The selling securityholders may agree to indemnify us, the other selling securityholders and any underwriter or other person who participates in the offering of the Offered Securities, against specified liabilities arising from information provided by the selling securityholders for use in this prospectus or any accompanying prospectus supplement, including liabilities under the federal securities laws. In each case, indemnification may include each person who is an affiliate of or controls one of these specified indemnified persons within the meaning of the federal securities laws or is required to contribute to payments the underwriters may be required to make in respect of those liabilities. The selling securityholders may agree to indemnify any brokers, dealers or agents who participate in transactions involving sales of the Offered Securities against specified liabilities arising under the federal securities laws in connection with the offering and sale of the Offered Securities.

We will not receive any proceeds from sales of any Offered Securities by the selling securityholders.

We cannot assure you that the selling securityholders will sell all or any portion of the Offered Securities offered.

We will supply the selling securityholders and any stock exchange upon which the Offered Securities are listed with reasonable quantities of copies of this prospectus. To the extent required by Rule 424 under the Securities Act in connection with any resale or redistribution by a selling securityholder, we will file a prospectus supplement setting forth:

- the aggregate number of Offered Securities to be sold;
- the purchase price;
- the public offering price;
- the names of any underwriter, agent or broker-dealer, if applicable; and
- any applicable commissions, discounts, concessions, fees or other items constituting compensation to underwriters, agents or broker-dealers with respect to the particular transaction (which may exceed customary commissions or compensation).

If a selling securityholder notifies us that a material arrangement has been entered into with a broker-dealer for the sale of Offered Securities through a block trade, special offering, exchange, distribution or secondary distribution or a purchase by a broker or dealer, the prospectus supplement will include any other facts that are material to the transaction. If applicable, this may include a statement to the effect that the participating broker-dealers did not conduct any investigation to verify the information set forth or incorporated by reference in this prospectus.

Item 15. Indemnification of Directors and Officers

The Company is a North Carolina corporation. The Company's Amended and Restated Articles of Incorporation contain a provision authorized by Section 55-2-02(b)(3) of the North Carolina Business Corporation Act (the "NC BCA") eliminating the personal liability of a director arising out of an action whether by or in the right of the Company or otherwise for monetary damages for breach of any duty of a director, except for liability with respect to (i) acts or omissions that the director at the time of such breach knew or believed were clearly in conflict with the best interests of the Company, (ii) any transaction from which the director derived an "improper personal benefit" as that term is defined in the NC BCA, (iii) acts or omissions occurring prior to the effective date of the Articles or (iv) acts or omissions with respect to which the NC BCA does not permit the limitation of liability.

The Company has also adopted indemnification provisions authorized by NC BCA Section 55-8-57 which obligate the Company:

- (1) to indemnify any person who serves or has served as a director or officer against (i) any liability for or obligation to pay reasonable expenses, including attorneys' fees, incurred by such officer or director in connection with any proceeding arising out of such director's or officer's status as such or any activities of such director or officer in such capacity and (ii) any liability for or obligation to pay any judgment, settlement, penalty or fine (including an excise tax assessed with respect to an employee benefit plan) in any such proceeding; provided that the Company shall not be required to indemnify any officer for any proceeding by such officer against the Company unless such proceeding was authorized by the board of directors of the Company; and
- (2) to indemnify any person who serves or has served as a director or officer and who, at the request of the Company, serves or has served as a director, officer, partner, trustee, employee or agent of another corporation, partnership, joint venture, trust or other enterprise or as a trustee or administrator under an employee benefit plan against (i) any liability for or obligation to pay reasonable expenses, including attorneys' fees, incurred by such officer or director in connection

with any proceeding arising out of such person's status as a director or officer of the Company or as a director, officer, partner, trustee, employee or agent of such other corporation, partnership, joint venture, trust or other enterprise or as a trustee or administrator under an employee benefit plan or any activities of such director or officer in any of such capacities and (ii) any liability for or obligation to pay any judgment, settlement, penalty or fine (including an excise tax assessed with respect to any employee benefit plan) in any such proceeding.

Provided however, such indemnification does not extend to any liability or expense the director or officer may incur on account of his or her activities which, at the time taken, were known or believed by such director or officer to be clearly in conflict with the best interests of the Company.

Pursuant to Section 55-8-51 of the NC BCA, a North Carolina corporation may indemnify a director against liability in any proceeding to which the director is made a party because of his status as such if the director (i) conducted himself in good faith, (ii) reasonably believed that his conduct in his official capacity was in the corporation's best interests and, in all other cases, that his conduct was at least not opposed to the corporation's best interests and (iii) in the case of a criminal proceeding, had no reasonable cause to believe his conduct was unlawful. However, a corporation may not indemnify a director under Section 55-8-51 (i) in connection with a proceeding by or in the right of the corporation in which the director was adjudged liable to the corporation or (ii) in connection with any other proceeding charging improper personal benefit to him, whether or not involving action in his official capacity, in which he was adjudged liable on the basis that personal benefit was improperly received by him. Indemnification under this section in connection with a proceeding by or in the right of the corporation that is concluded without a final adjudication on the issue of liability is limited to reasonable expenses incurred in connection with the proceeding.

Pursuant to Section 55-8-52 of the NC BCA, a North Carolina corporation is required to indemnify a director who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which he was a party because he is or was a director against reasonable expenses incurred by him in connection with the proceeding.

Pursuant to Section 55-8-54 of the NC BCA, the court may order indemnification of a director of a North Carolina corporation in any proceeding to which the director is a party if the director is fairly and reasonably entitled to indemnification in view of all the relevant circumstances.

The term "proceeding" as used herein includes any threatened, pending or completed civil, criminal, administrative or investigative action, suit or proceeding (and any appeal therein), whether formal or informal and whether or not brought by or on behalf of the corporation.

Any underwriting agreement or distribution agreement that the registrant enters into with any underwriters or agents involved in the offering or sale of any securities registered hereby may require such underwriters or dealers to indemnify the registrant, some or all of its directors and officers and its controlling persons, if any, for specified liabilities, which may include liabilities under the Securities Act.

Item 17. Undertakings

- (a) The undersigned registrants hereby undertake:
- (1) to file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) to include any prospectus required by Section 10(a)(3) of the Securities Act;
 - (ii) to reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
 - (iii) to include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, that paragraphs (i), (ii), and (iii) do not apply if the registration statement is on Form S-3 or Form F-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrants pursuant to Section 13 or Section 15(d) of the Exchange Act, that are incorporated by reference in this registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this registration statement;

- (2) that, for the purpose of determining any liability under the Securities Act of 1933, as amended, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof;
- (3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering;
- (4) that, for the purpose of determining liability under the Securities Act, to any purchaser:
 - (i) (A) each prospectus filed by a registrant pursuant to Rule 424(b)(3) shall be deemed to be part of this registration statement as of the date the filed prospectus was deemed part of and included in this registration statement; and
 - (B) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in this registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of this registration statement relating to the securities in this registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of this registration statement or made in a document incorporated or deemed incorporated by reference into this registration statement or prospectus that is part of this registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in this registration statement or prospectus that was part of this registration statement or made in any such document immediately prior to such effective date.
 - (ii) If the registrants are subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness; *provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.
- (5) That, for the purpose of determining liability of a registrant under the Securities Act, to any purchaser in the initial distribution of the securities, the undersigned registrants undertake that in a primary offering of securities of the undersigned registrants pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following

communications, the undersigned registrants will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) any preliminary prospectus or prospectus of an undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
 - (ii) any free writing prospectus relating to the offering prepared by or on behalf of an undersigned registrant or used or referred to by an undersigned registrant;
 - (iii) the portion of any other free writing prospectus relating to the offering containing material information about an undersigned registrant or its securities provided by or on behalf of an undersigned registrant; and
 - (iv) any other communication that is an offer in the offering made by an undersigned registrant to the purchaser.
- (b) The undersigned registrants hereby undertake that, for purposes of determining any liability under the Securities Act, each filing of our annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of each registrant pursuant to the foregoing provisions, or otherwise, each registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by a registrant of expenses incurred or paid by a director, officer or controlling person of a registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, that registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
- (i) The undersigned registrants hereby undertake that:
- (1) for purposes of determining any liability under the Securities Act, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by a registrant pursuant to Rule 424(b) (1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.
 - (2) for the purpose of determining any liability under the Securities Act, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
 - (3) an application will be filed for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the SEC under Section 305(b)(2) of the Trust Indenture Act.

Re: Registration Statement on Form S-3

To the addressees set forth above:

We have acted as counsel to Tanger Inc., a North Carolina corporation (the “**Company**”), and Tanger Properties Limited Partnership, a North Carolina limited partnership (the “**Operating Partnership**”), in connection with the Company’s registration statement on Form S-3 (the “**Registration Statement**”), filed on February 26, 2026 with the Securities and Exchange Commission (the “**Commission**”) under the Securities Act of 1933, as amended (the “**Act**”), including a base prospectus (the “**Base Prospectus**”), which provides that it will be supplemented by one or more prospectus supplements (each, a “**Prospectus Supplement**”), relating to the registration for issue and sale (a) by the Operating Partnership of one or more series of debt securities (the “**Debt Securities**”), each such series of Debt Securities which may be unconditionally guaranteed by the Company (the “**Guarantees**”), and (b) by the Company of (i) the Company’s common shares, par value \$0.01 per share (“**Common Shares**”), (ii) shares of one or more series of the Company’s preferred shares, par value \$0.01 per share (“**Preferred Shares**”), (iii) depository shares representing Preferred Shares (“**Depository Shares**”) and (iv) warrants representing a right to acquire Common Shares (the “**Warrants**” and together with the Debt Securities, Guarantees, Common Shares, Preferred Shares and Depository Shares, the “**Securities**”).

The Debt Securities will be issued pursuant to (a) an indenture, dated as of March 1, 1996, by among the Operating Partnership, the Company and State Street Bank and Trust Company, as predecessor to U.S. Bank National Association, as trustee (the “**Trustee**”), previously filed with the Commission as Exhibit 4(a) to the registration statement on Form S-3 of the Company dated April 12, 1996, as amended by the Sixth Supplemental Indenture, dated July 2, 2009, previously filed with the Commission as Exhibit 4.13 to the registration statement on Form S-3 of the Company and the Operating Partnership dated July 2, 2009, the Tenth Supplemental Indenture, dated August 8, 2016, previously filed with the Commission as Exhibit 4.1 to the Current Report on Form 8-K of the Company and the Operating Partnership filed on August 8, 2016, as amended by the First Amendment to the Tenth Supplemental Indenture, dated October 13, 2016, previously filed with the Commission as Exhibit 4.1 to the Current Report on Form 8-K of the Company and the Operating Partnership filed on October 13, 2016, the Eleventh Supplemental Indenture, dated July 3, 2017, previously filed with the Commission as Exhibit 4.1 to the Current Report on Form 8-K of the Company and the Operating Partnership filed July 3, 2017, and the Twelfth Supplemental Indenture, dated August 10, 2021, previously filed with the Commission as Exhibit 4.1 to the Current Report on Form 8-K of the Company and the Operating Partnership filed August 10, 2021 (as supplemented and amended, the “**Senior Indenture**”), or (b) a subordinated indenture, to be entered into by and among the Operating Partnership, the Company and the Trustee, a form of which has been previously filed with the Commission as Exhibit 4(b) to Amendment No. 1 to the registration statement on Form S-3 of the Company and the Operating Partnership dated January 23, 1996 (the “**Subordinated Indenture**” and, together with the Senior Indenture, the “**Indentures**”).

This opinion is being furnished in connection with the requirements of Item 601(b)(5) of Regulation S-K under the Act, and no opinion is expressed herein as to any matter pertaining to the contents of the Registration Statement or related applicable Prospectus Supplement, other than as expressly stated herein with respect to the issue of the Securities.

As counsel for the Company and the Operating Partnership, we have examined originals or copies, certified or otherwise identified to our satisfaction, of the Registration Statement, including the Base Prospectus and the Company's articles of incorporation and bylaws, each as amended to date, the certificate of domestic limited partnership and the Third Amended and Restated Limited Partnership Agreement of the Operating Partnership, each as amended to date, minutes and records of the corporate proceedings of the Company relating to the filing of the Registration Statement and the issuance of the Securities, as provided to us by the Company, and certificates of public officials and of representatives of the Company, and such other instruments and documents as we have deemed necessary or appropriate, as a basis for the opinions hereinafter expressed.

In our examination, we have assumed: (i) the authenticity of original documents and the genuineness of all signatures; (ii) the conformity to the originals of all documents submitted to us as copies; (iii) the truth, accuracy and completeness of the information, representations and warranties contained in the agreements, instruments, documents, certificates and records that we have reviewed; and (iv) the legal capacity of all natural persons. As to all matters of fact, we have relied on the representations and statements of fact made in the documents so reviewed, and we have not independently established or verified the facts so relied on. This opinion is given, and all statements herein are made, in the context of the foregoing.

For purposes of this opinion, we have assumed that certain terms of the Securities to be issued by the Company from time to time will be authorized and approved by the Board of Directors of the Company (the "**Board**") or a duly authorized committee thereof (a "**Board Committee**") in accordance with North Carolina law, the articles of incorporation and bylaws of the Company, each as amended to date and as the same may be further amended hereafter, the certificate of domestic limited partnership and the Third Amended and Restated Limited Partnership Agreement of the Operating Partnership, each as amended to date and as the same may be further amended hereafter, prior to the issuance thereof. We have also assumed that (i) the Registration Statement and any amendments thereto (including post-effective amendments) have become effective and will continue to be effective at the time of the sale of any Securities covered thereby; (ii) any necessary Prospectus Supplement will have been prepared and filed with the Commission describing any Securities offered thereby; (iii) all Securities will be sold in the manner stated in the Registration Statement and any applicable Prospectus Supplement; and (iv) Securities will not be issued or transferred in violation of restrictions on ownership and transfer set forth in the Company's articles of incorporation, as amended to date.

This opinion is based as to matters of law solely on (i) applicable provisions of the North Carolina Business Corporation Act and the North Carolina Revised Uniform Limited Partnership Act, in each case, excluding local laws of such jurisdiction (i.e., the statutes and ordinances, the administrative decisions and the rules and regulations of counties, towns, municipalities and special political subdivisions of, or authorities or quasi-governmental bodies constituted under the laws of, such jurisdictions and judicial decisions to the extent they deal with any of the foregoing) and (ii) applicable provisions of the laws of the State of New York. As used herein, the term "the laws of the State of New York" include the statutory provisions contained therein, all applicable provisions of the New York Constitution and reported judicial decisions interpreting these laws. We express no opinion herein as to any other state or local laws, statutes, ordinances, rules or regulations.

Subject to the foregoing and the other matters set forth herein, it is our opinion that, as of the date hereof:

1. The Company is a corporation in existence under the laws of the State of North Carolina.
 2. The Operating Partnership is a limited partnership in existence under the laws of the State of North Carolina.
 3. The Company is the sole general partner of the Operating Partnership.
 4. Upon action by the Board and any applicable Board Committee authorizing the issuance of Preferred Shares, made in compliance with applicable law, and upon the issuance and delivery of and payment for such Preferred Shares in the manner contemplated by the Registration Statement and/or the applicable Prospectus Supplement and by such Board or Board Committee action, such Preferred Shares will be validly issued, fully paid and nonassessable.
-

5. Upon action by the Board and any applicable Board Committee authorizing the issuance of Common Shares, made in compliance with applicable law, and upon the issuance and delivery of and payment for such Common Shares in the manner contemplated by the Registration Statement and/or the applicable Prospectus Supplement and by such Board or Board Committee action, such Common Shares will be validly issued, fully paid and nonassessable.

6. The Senior Indenture is a legally valid and binding agreement of the Company and the Operating Partnership, enforceable against the Company and the Operating Partnership in accordance with its terms.

7. When duly authorized by all necessary corporate and limited partnership action of the parties thereto and upon due execution and delivery by the parties thereto, the Subordinated Indenture will be a legally valid and binding agreement of the Company and the Operating Partnership, enforceable against the Company and the Operating Partnership in accordance with its terms.

8. When the specific terms of a particular series of Debt Securities and, if applicable, any related Guarantees, have been duly established in accordance with the terms of the applicable Indenture and authorized by all necessary corporate and limited partnership action of the Company and the Operating Partnership, as applicable, and such Debt Securities have been duly executed, authenticated, issued and delivered against payment therefor in accordance with the terms of the applicable Indenture and in the manner contemplated by the applicable Prospectus Supplement and by such corporate or limited partnership action, such Debt Securities and Guarantees, if applicable, will be the legally valid and binding obligations of the Company and the Operating Partnership, respectively, enforceable against the Company and the Operating Partnership in accordance with their respective terms.

9. When the applicable deposit agreement has been duly authorized, executed and delivered by all necessary corporate action of the Company, and when the specific terms of a particular issuance of Depositary Shares have been duly established in accordance with the terms of the applicable deposit agreement and authorized by all necessary corporate action of the Company, and such Depositary Shares have been duly executed, authenticated, issued and delivered against payment therefor in accordance with the terms of the applicable deposit agreement and in the manner contemplated by the applicable Prospectus Supplement and by such corporate action (assuming the underlying securities have been validly issued and deposited with the depository), such Depositary Shares will be the legally valid and binding obligations of the Company, enforceable against the Company in accordance with their terms.

10. When the applicable warrant agreement has been duly authorized, executed and delivered by all necessary corporate action of the Company, and when the specific terms of a particular issuance of Warrants have been duly established in accordance with the terms of the applicable warrant agreement and authorized by all necessary corporate action of the Company, and such Warrants have been duly executed, authenticated, issued and delivered against payment therefor in accordance with the terms of the applicable warrant agreement and in the manner contemplated by the applicable Prospectus Supplement and by such corporate action (assuming the securities issuable upon exercise of such Warrants have been duly authorized and reserved for issuance by all necessary corporate action), such Warrants will be the legally valid and binding obligations of the Company, enforceable against the Company in accordance with their terms.

Our opinions are subject to: (i) the effect of bankruptcy, insolvency, reorganization, preference, fraudulent transfer, moratorium or other similar laws relating to or affecting the rights and remedies of creditors; (ii) (a) the effect of general principles of equity, whether considered in a proceeding in equity or at law (including the possible unavailability of specific performance or injunctive relief), (b) concepts of materiality, reasonableness, good faith and fair dealing, and (c) the discretion of the court before which a proceeding is brought; and (iii) the invalidity under certain circumstances under law or court decisions of provisions providing for the indemnification of or contribution to a party with respect to a liability where such indemnification or contribution is contrary to public policy. We express no opinion as to (a) any provision for liquidated damages, default interest, late charges, monetary penalties, make-whole premiums or other economic remedies to the extent such provisions are deemed to constitute a penalty, (b) consents to, or restrictions upon, governing law, jurisdiction, venue, arbitration, remedies, or judicial relief, (c) waivers of rights or defenses contained in Section 514 of the Senior Indenture and Section 514 of the Subordinated Indenture, (d) any provision requiring the payment of attorneys' fees, where such payment is contrary to law or public policy, (e) any provision permitting, upon acceleration of any Debt Securities, collection of that portion of the stated principal amount thereof which might be determined to constitute unearned interest thereon, (f) the creation, validity, attachment, perfection, or priority of any lien or security interest, (g) advance waivers of claims, defenses, rights granted by law, or notice, opportunity for hearing, evidentiary requirements, statutes of limitation, trial by jury or at law, or other procedural rights, (h) waivers of broadly or vaguely stated rights, (i) covenants not to compete, (j) provisions for exclusivity, election or cumulation of rights or remedies, (k) provisions authorizing or validating conclusive or discretionary determinations, (l) grants of setoff rights, (m) proxies, powers and trusts, (n) provisions prohibiting, restricting, or requiring consent to assignment or transfer of any right or property, (o) provisions purporting to make a guarantor primarily liable rather than as a surety, (p) provisions purporting to waive modifications of any guaranteed obligation to the extent such modification constitutes a novation, (q) any provision to the extent it requires that a claim with respect to a security denominated in other than U.S. dollars (or a judgment in respect of such a claim) be converted into U.S. dollars at a rate of exchange at a particular date, to the extent applicable law otherwise provides and (r) the severability, if invalid, of provisions to the foregoing effect.

We have assumed (a) that each of the Debt Securities, Guarantees, Depositary Shares and Warrants, and the respective indentures, deposit agreements and warrant agreements governing such securities and any related Board resolution, supplemental indenture or officers' certificate establishing the terms thereof (collectively, the "**Documents**") will be governed by the internal laws of the State of New York, (b) that each of the Documents has been or will be duly authorized, executed and delivered by the parties thereto, (c) that each of the Documents constitutes or will constitute legally valid and binding obligations of the parties thereto other than the Company and the Operating Partnership, enforceable against each of them in accordance with their respective terms, and (d) that the status of each of the Documents as legally valid and binding obligations of the parties will not be affected by any (i) breaches of, or defaults under, agreements or instruments, (ii) violations of statutes, rules, regulations or court or governmental orders or (iii) failures to obtain required consents, approvals or authorizations from, or to make required registrations, declarations or filings with, governmental authorities.

We assume no obligation to supplement this opinion if any applicable law changes after the date hereof or if we become aware of any fact that might change the opinion expressed herein after the date hereof.

This opinion is for your benefit in connection with the Registration Statement, as supplemented to date, and may be relied upon by you and by persons entitled to rely upon it pursuant to the applicable provisions of the Act.

We consent to your filing this opinion as an exhibit to the Registration Statement and to the references to our firm in each of the Base Prospectus under the heading "Legal Matters". In giving such consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Act or the rules and regulations of the Commission thereunder.

Re: Tanger Inc.

To the addressee set forth above:

We have acted as tax counsel to Tanger Inc., a North Carolina corporation (the “*Company*”), and Tanger Properties Limited Partnership, a North Carolina limited partnership (the “*Operating Partnership*”), in connection with the registration statement on Form S-3 (the “*Registration Statement*”), filed on February 26, 2026 with the Securities and Exchange Commission (the “*Commission*”), including a base prospectus (the “*Base Prospectus*”), which provides that it will be supplemented by one or more prospectus supplements (each such prospectus supplement, together with the Base Prospectus, a “*Prospectus*”), under the Securities Act of 1933, as amended (the “*Act*”).

You have requested our opinion concerning certain of the federal income tax considerations relating to the Company, including with respect to its election to be taxed as a real estate investment trust (“*REIT*”) under the Internal Revenue Code of 1986, as amended (the “*Code*”). This opinion is based on certain assumptions and factual representations, including the facts set forth in the Registration Statement under the heading “Federal Income Tax Considerations” incorporating by reference Exhibit 99.1 of the Company’s Annual Report on Form 10-K for the year ended December 31, 2025, concerning the business, assets and governing documents of the Company, the Operating Partnership and their subsidiaries. We have been furnished with, and with your consent have relied upon, certain representations made by the Company, the Operating Partnership and their subsidiaries with respect to certain factual matters contained in a certificate of an officer of the Company, dated as of the date hereof (the “*Officer’s Certificate*”).

In our capacity as tax counsel to the Company and the Operating Partnership, we have made such legal and factual examinations and inquiries, including an examination of originals or copies certified or otherwise identified to our satisfaction of such documents, corporate records and other instruments, as we have deemed necessary or appropriate for purposes of this opinion. For purposes of our opinion, we have not made an independent investigation or audit of the facts set forth in the above referenced documents or in the Officer’s Certificate. In addition, in rendering this opinion we have assumed the truth and accuracy of all representations and statements made to us that are qualified as to knowledge or belief, without regard to such qualification. In our examination, we have assumed the authenticity of all documents submitted to us as originals, the genuineness of all signatures thereon, the legal capacity of natural persons executing such documents and the conformity to authentic original documents of all documents submitted to us as copies.

We are opining herein only with respect to the federal income tax laws of the United States, and we express no opinion with respect to the applicability thereto, or the effect thereon, of other federal laws or the laws of any state or other jurisdiction, or as to any matters of municipal law or the laws of any other local agencies within any state.

Based on such facts, and subject to the qualifications, assumptions, representations and limitations referenced herein, it is our opinion that:

1. Commencing with its taxable year ended December 31, 1993, the Company has been organized and has operated in conformity with the requirements for qualification and taxation as a REIT under the Code, and its proposed method of operation will enable it to continue to meet the requirements for qualification and taxation as a REIT under the Code; and

2. The discussion in the Registration Statement under the heading “Federal Income Tax Considerations” incorporating by reference Exhibit 99.1 of the Company’s Annual Report on Form 10-K for the year ended December 31, 2025, to the extent it describes provisions of U.S. federal income tax law and regulations or legal conclusions with respect thereto, is correct in all material respects as of the date hereof.

No opinion is expressed as to any matter not discussed herein.

This opinion is rendered to you as of the date of this letter, and we undertake no obligation to update this opinion subsequent to the date hereof. This opinion is based on various statutory provisions, regulations promulgated thereunder and interpretations thereof by the Internal Revenue Service and the courts having jurisdiction over such matters, all of which are subject to change either prospectively or retroactively. Any such change may affect the conclusions stated herein. Also, any variation or difference in the facts from those set forth in the Registration Statement, the Prospectus or the Officer’s Certificate may affect the conclusions stated herein. As described in the Exhibit 99.1 to the Company’s Annual Report on Form 10-K for the year ended December 31, 2025, the Company’s qualification and taxation as a REIT depend upon the Company’s ability to meet the various requirements imposed under the Code, including through actual annual operating results, asset composition, distribution levels and diversity of stock ownership, the results of which have not been and will not be reviewed by Troutman Pepper Locke LLP. Accordingly, no assurance can be given that the actual results of the Company’s operation for any particular taxable year will satisfy such requirements. In addition, the opinion set forth above does not foreclose the possibility that the Company may have to pay a deficiency dividend, or an excise or penalty tax, which could be significant in amount, in order to maintain its REIT qualification.

This opinion is rendered only to you and is solely for your benefit in connection with the Registration Statement and may be relied upon by you and by persons entitled to rely upon pursuant to the applicable provisions of the Act.

We consent to your filing this opinion as an exhibit to the Registration Statement and to the resulting references to our firm in the Registration Statement under the heading “Federal Income Tax Considerations.” In giving such consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Act or the rules and regulations of the Commission thereunder.

Very truly yours,

**ARTICLES OF ASSOCIATION
OF
U. S. BANK TRUST COMPANY, NATIONAL ASSOCIATION**

For the purpose of organizing an association (the "Association") to perform any lawful activities of national banks, the undersigned enter into the following Articles of Association:

FIRST. The title of this Association shall be U. S. Bank Trust Company, National Association.

SECOND. The main office of the Association shall be in the city of Portland, county of Multnomah, state of Oregon. The business of the Association will be limited to fiduciary powers and the support of activities incidental to the exercise of those powers. The Association may not expand or alter its business beyond that stated in this article without the prior approval of the Comptroller of the Currency.

THIRD. The board of directors of the Association shall consist of not less than five nor more than twenty-five persons, the exact number to be fixed and determined from time to time by resolution of a majority of the full board of directors or by resolution of a majority of the shareholders at any annual or special meeting thereof. Each director shall own common or preferred stock of the Association or of a holding company owning the Association, with an aggregate par, fair market, or equity value of not less than \$1,000, as of either (i) the date of purchase, (ii) the date the person became a director, or (iii) the date of that person's most recent election to the board of directors, whichever is more recent. Any combination of common or preferred stock of the Association or holding company may be used.

Any vacancy in the board of directors may be filled by action of a majority of the remaining directors between meetings of shareholders. The board of directors may increase the number of directors up to the maximum permitted by law. Terms of directors, including directors selected to fill vacancies, shall expire at the next regular meeting of shareholders at which directors are elected, unless the directors resign or are removed from office. Despite the expiration of a director's term, the director shall continue to serve until his or her successor is elected and qualified or until there is a decrease in the number of directors and his or her position is eliminated.

Honorary or advisory members of the board of directors, without voting power or power of final decision in matters concerning the business of the Association, may be appointed by resolution of a majority of the full board of directors, or by resolution of shareholders at any annual or special meeting. Honorary or advisory directors shall not be counted to determine the number of directors of the Association or the presence of a quorum in connection with any board action, and shall not be required to own qualifying shares.

FOURTH. There shall be an annual meeting of the shareholders to elect directors and transact whatever other business may be brought before the meeting. It shall be held at the main office or any other convenient place the board of directors may designate, on the day of each year specified therefor in the Bylaws, or if that day falls on a legal holiday in the state in which the Association is located, on the next following banking day. If no election is held on the day fixed or in the event of a legal holiday on the following banking day, an election may be held on any subsequent day within 60 days of the day fixed, to be designated by the board of directors, or, if the directors fail to fix the day, by shareholders representing two-thirds of the shares issued and outstanding. In all cases, at least 10 days' advance notice of the meeting shall be given to the shareholders by first-class mail.

In all elections of directors, the number of votes each common shareholder may cast will be determined by multiplying the number of shares he or she owns by the number of directors to be elected. Those votes may be cumulated and cast for a single candidate or may be distributed among two or more candidates in the manner selected by the shareholder. On all other questions, each common shareholder shall be entitled to one vote for each share of stock held by him or her.

A director may resign at any time by delivering written notice to the board of directors, its chairperson, or to the Association, which resignation shall be effective when the notice is delivered unless the notice specifies a later effective date.

A director may be removed by the shareholders at a meeting called to remove him or her, when notice of the meeting stating that the purpose or one of the purposes is to remove him or her is provided, if there is a failure to fulfill one of the affirmative requirements for qualification, or for cause; provided, however, that a director may not be removed if the number of votes sufficient to elect him or her under cumulative voting is voted against his or her removal.

FIFTH. The authorized amount of capital stock of the Association shall be 1,000,000 shares of common stock of the par value of ten dollars (\$10) each; but said capital stock may be increased or decreased from time to time, according to the provisions of the laws of the United States. The Association shall have only one class of capital stock.

No holder of shares of the capital stock of any class of the Association shall have any preemptive or preferential right of subscription to any shares of any class of stock of the Association, whether now or hereafter authorized, or to any obligations convertible into stock of the Association, issued, or sold, nor any right of subscription to any thereof other than such, if any, as the board of directors, in its discretion, may from time to time determine and at such price as the board of directors may from time to time fix.

Transfers of the Association's stock are subject to the prior written approval of a federal depository institution regulatory agency. If no other agency approval is required, the approval of the Comptroller of the Currency must be obtained prior to any such transfers.

Unless otherwise specified in the Articles of Association or required by law, (1) all matters requiring shareholder action, including amendments to the Articles of Association must be approved by shareholders owning a majority voting interest in the outstanding voting stock, and (2) each shareholder shall be entitled to one vote per share.

Unless otherwise specified in the Articles of Association or required by law, all shares of voting stock shall be voted together as a class, on any matters requiring shareholder approval.

Unless otherwise provided in the Bylaws, the record date for determining shareholders entitled to notice of and to vote at any meeting is the close of business on the day before the first notice is mailed or otherwise sent to the shareholders, provided that in no event may a record date be more than 70 days before the meeting.

The Association, at any time and from time to time, may authorize and issue debt obligations, whether subordinated, without the approval of the shareholders. Obligations classified as debt, whether subordinated, which may be issued by the Association without the approval of shareholders, do not carry voting rights on any issue, including an increase or decrease in the aggregate number of the securities, or the exchange or reclassification of all or part of securities into securities of another class or series.

SIXTH. The board of directors shall appoint one of its members president of this Association and one of its members chairperson of the board and shall have the power to appoint one or more vice presidents, a secretary who shall keep minutes of the directors' and shareholders' meetings and be responsible for authenticating the records of the Association, and such other officers and employees as may be required to transact the business of this Association. A duly appointed officer may appoint one or more officers or assistant officers if authorized by the board of directors in accordance with the Bylaws.

The board of directors shall have the power to:

- (1) Define the duties of the officers, employees, and agents of the Association.
- (2) Delegate the performance of its duties, but not the responsibility for its duties, to the officers, employees, and agents of the Association.
- (3) Fix the compensation and enter employment contracts with its officers and employees upon reasonable terms and conditions consistent with applicable law.
- (4) Dismiss officers and employees.
- (5) Require bonds from officers and employees and to fix the penalty thereof.
- (6) Ratify written policies authorized by the Association's management or committees of the board.
- (7) Regulate the manner any increase or decrease of the capital of the Association shall be made; provided that nothing herein shall restrict the power of shareholders to increase or decrease the capital of the Association in accordance with law, and nothing shall raise or lower from two-thirds the percentage required for shareholder approval to increase or reduce the capital.

- (8) Manage and administer the business and affairs of the Association.
- (9) Adopt initial Bylaws, not inconsistent with law or the Articles of Association, for managing the business and regulating the affairs of the Association.
- (10) Amend or repeal Bylaws, except to the extent that the Articles of Association reserve this power in whole or in part to the shareholders.
- (11) Make contracts.
- (12) Generally perform all acts that are legal for a board of directors to perform.

SEVENTH. The board of directors shall have the power to change the location of the main office to any authorized branch within the limits of the city of Portland, Oregon, without the approval of the shareholders, or with a vote of shareholders owning two-thirds of the stock of the Association for a location outside such limits and upon receipt of a certificate of approval from the Comptroller of the Currency, to any other location within or outside the limits of the city of Portland, Oregon, but not more than thirty miles beyond such limits. The board of directors shall have the power to establish or change the location of any office or offices of the Association to any other location permitted under applicable law, without approval of shareholders, subject to approval by the Comptroller of the Currency.

EIGHTH. The corporate existence of this Association shall continue until termination according to the laws of the United States.

NINTH. The board of directors of the Association, or any shareholder owning, in the aggregate, not less than 25 percent of the stock of the Association, may call a special meeting of shareholders at any time. Unless otherwise provided by the Bylaws or the laws of the United States, or waived by shareholders, a notice of the time, place, and purpose of every annual and special meeting of the shareholders shall be given by first-class mail, postage prepaid, mailed at least 10, and no more than 60, days prior to the date of the meeting to each shareholder of record at his/her address as shown upon the books of the Association. Unless otherwise provided by the Bylaws, any action requiring approval of shareholders must be effected at a duly called annual or special meeting.

TENTH. These Articles of Association may be amended at any regular or special meeting of the shareholders by the affirmative vote of the holders of a majority of the stock of the Association, unless the vote of the holders of a greater amount of stock is required by law, and in that case by the vote of the holders of such greater amount; provided, that the scope of the Association's activities and services may not be expanded without the prior written approval of the Comptroller of the Currency. The Association's board of directors may propose one or more amendments to the Articles of Association for submission to the shareholders.

In witness whereof, we have hereunto set our hands this 11th of June, 1997.

In accordance with applicable law, the sole shareholder of the Association is permitted to waive notice of the meeting. If, for any reason, an election of directors is not made on the designated day, the election shall be held on some subsequent day, as soon thereafter as practicable, with prior notice thereof. Failure to hold an annual meeting as required by these Bylaws shall not affect the validity of any corporate action or work a forfeiture or dissolution of the Association.

Section 1.2. Special Meetings. Except as otherwise specially provided by law, special meetings of the shareholders may be called for any purpose, at any time by a majority of the board of directors (the "Board"), or by any shareholder or group of shareholders owning at least ten percent of the outstanding stock.

Section 1.3. Nominations for Directors. Nominations for election to the Board may be made by the Board or by any shareholder.

Section 1.5. Record Date. The record date for determining shareholders entitled to notice and to vote at any meeting will be thirty days before the date of such meeting, unless otherwise determined by the Board.

Section 1.6. Quorum and Voting. A majority of the outstanding capital stock, represented in person or by proxy, shall constitute a quorum at any meeting of shareholders, unless otherwise provided by law, but less than a quorum may adjourn any meeting, from time to time, and the meeting may be held as adjourned without further notice. A majority of the votes cast shall decide every question or matter submitted to the shareholders at any meeting, unless otherwise provided by law or by the Articles of Association.

Section 1.7. Inspectors. The Board may, and in the event of its failure so to do, the Chairman of the Board may appoint Inspectors of Election who shall determine the presence of quorum, the validity of proxies, and the results of all elections and all other matters voted upon by shareholders at all annual and special meetings of shareholders.

Section 1.8. Waiver and Consent. The shareholders may act without notice or a meeting by a unanimous written consent by all shareholders.

Section 1.9. Remote Meetings. The Board shall have the right to determine that a shareholder meeting not be held at a place, but instead be held solely by means of remote communication in the manner and to the extent permitted by the General Corporation Law of the State of Delaware.

ARTICLE II Directors

Section 2.1. Board of Directors. The Board shall have the power to manage and administer the business and affairs of the Association. Except as expressly limited by law, all corporate powers of the Association shall be vested in and may be exercised by the Board.

Section 2.2. Term of Office. The directors of this Association shall hold office for one year and until their successors are duly elected and qualified, or until their earlier resignation or removal.

Section 2.3. Powers. In addition to the foregoing, the Board shall have and may exercise all of the powers granted to or conferred upon it by the Articles of Association, the Bylaws and by law.

Section 2.4. Number. As provided in the Articles of Association, the Board of this Association shall consist of no less than five nor more than twenty-five members, unless the OCC has exempted the Association from the twenty-five-member limit. The Board shall consist of a number of members to be fixed and determined from time to time by resolution of the Board or the shareholders at any meeting thereof, in accordance with the Articles of Association. Between meetings of the shareholders held for the purpose of electing directors, the Board by a majority vote of the full Board may increase the size of the Board but not to more than a total of twenty-five directors, and fill any vacancy so created in the Board; provided that the Board may increase the number of directors only by up to two directors, when the number of directors last elected by shareholders was fifteen or fewer, and by up to four directors, when the number of directors last elected by shareholders was sixteen or more. Each director shall own a qualifying equity interest in the Association or a company that has control of the Association in each case as required by applicable law. Each director shall own such qualifying equity interest in his or her own right and meet any minimum threshold ownership required by applicable law.

Section 2.5. Organization Meeting. The newly elected Board shall meet for the purpose of organizing the new Board and electing and appointing such officers of the Association as may be appropriate. If, at the time fixed for such meeting, there shall not be a quorum present, the directors present may adjourn the meeting until a quorum is obtained.

Section 2.6. Regular Meetings. The regular meetings of the Board shall be held, without notice, as the Chairman or President may designate and deem suitable.

Section 2.7. Special Meetings. Special meetings of the Board may be called at any time, at any place and for any purpose by the Chairman of the Board or the President of the Association, or upon the request of a majority of the entire Board. Notice of every special meeting of the Board shall be given to the directors at their usual places of business, or at such other addresses as shall have been furnished by them for the purpose. Such notice shall be given at least twelve hours (three hours if meeting is to be conducted by conference telephone) before the meeting by telephone or by being personally delivered, mailed, or electronically delivered. Such notice need not include a statement of the business to be transacted at, or the purpose of, any such meeting.

Section 2.8. Quorum and Necessary Vote. A majority of the directors shall constitute a quorum at any meeting of the Board, except when otherwise provided by law; but less than a quorum may adjourn any meeting, from time to time, and the meeting may be held as adjourned without further notice. Unless otherwise provided by law or the Articles or Bylaws of this Association, once a quorum is established, any act by a majority of those directors present and voting shall be the act of the Board.

Section 2.9. Written Consent. Except as otherwise required by applicable laws and regulations, the Board may act without a meeting by a unanimous written consent by all directors, to be filed with the Secretary of the Association as part of the corporate records.

Section 2.10. Remote Meetings. Members of the Board, or of any committee thereof, may participate in a meeting of such Board or committee by means of conference telephone, video or similar communications equipment by means of which all persons participating in the meeting can hear each other and such participation shall constitute presence in person at such meeting.

Section 2.11. Vacancies. When any vacancy occurs among the directors, the remaining members of the Board may appoint a director to fill such vacancy at any regular meeting of the Board, or at a special meeting called for that purpose.

ARTICLE III Committees

Section 3.1. Advisory Board of Directors. The Board may appoint persons, who need not be directors, to serve as advisory directors on an advisory board of directors established with respect to the business affairs of either this Association alone or the business affairs of a group of affiliated organizations of which this Association is one. Advisory directors shall have such powers and duties as may be determined by the Board, provided, that the Board's responsibility for the business and affairs of this Association shall in no respect be delegated or diminished.

Section 3.2. Trust Audit Committee. At least once during each calendar year, the Association shall arrange for a suitable audit (by internal or external auditors) of all significant fiduciary activities under the direction of its trust audit committee, a function that will be fulfilled by the Audit Committee of the financial holding company that is the ultimate parent of this Association. The Association shall note the results of the audit (including significant actions taken as a result of the audit) in the minutes of the Board. In lieu of annual audits, the Association may adopt a continuous audit system in accordance with 12 C.F.R. § 9.9(b).

The Audit Committee of the financial holding company that is the ultimate parent of this Association, fulfilling the function of the trust audit committee:

- (1) Must not include any officers of the Association or an affiliate who participate significantly in the administration of the Association's fiduciary activities; and
- (2) Must consist of a majority of members who are not also members of any committee to which the Board has delegated power to manage and control the fiduciary activities of the Association.

The Trust Management Committee shall determine policies governing fiduciary activities. The Trust Management Committee or such sub-committees, officers or others as may be duly designated by the Trust Management Committee shall oversee the processes related to fiduciary activities to assure conformity with fiduciary policies it establishes, including ratifying the acceptance and the closing out or relinquishment of all trusts. The Trust Management Committee will provide regular reports of its activities to the Board.

Section 3.5. Other Committees. The Board may appoint, from time to time, committees of one or more persons who need not be directors, for such purposes and with such powers as the Board may determine; however, the Board will not delegate to any committee any powers or responsibilities that it is prohibited from delegating under any law or regulation. In addition, either the Chairman or the President may appoint, from time to time, committees of one or more officers, employees, agents or other persons, for such purposes and with such powers as either the Chairman or the President deems appropriate and proper. Whether appointed by the Board, the Chairman, or the President, any such committee shall at all times be subject to the direction and control of the Board.

Section 3.6. Meetings, Minutes and Rules. An advisory board of directors and/or committee shall meet as necessary in consideration of the purpose of the advisory board of directors or committee, and shall maintain minutes in sufficient detail to indicate actions taken or recommendations made; unless required by the members, discussions, votes or other specific details need not be reported. An advisory board of directors or a committee may, in consideration of its purpose, adopt its own rules for the exercise of any of its functions or authority.

ARTICLE IV

Section 4.1 Who Shall Constitute. The Officers of the Association shall be a Chief Executive Officer, a President, a Secretary, and other officers such as Vice Chair, Executive Vice Presidents, Senior Vice Presidents, Vice Presidents, Assistant Vice Presidents, Assistant Secretaries, Trust Officers, Assistant Trust Officers, Controller, and Assistant Controller, as the Board may appoint from time to time. The Board may appoint or elect a person as a Vice Chair without regard to whether such person is a member of the Board. The Board may choose to delegate authority to elect officers other than the Chief Executive Officer, President, Secretary, Vice Chairs and Senior Executive Vice Presidents, to the President. Any person may hold two offices. The President shall at all times be a member of the Board of Directors.

Section 4.2 Term of Office. All officers shall be elected for and shall hold office until their respective successors are elected and qualified or until their earlier death, resignation, retirement, disqualification or removal from office, subject to the right of the Board of Directors in its sole discretion to discharge any officer at any time. The Board may choose to delegate authority to remove officers other than the Chairman, Chief Executive Officer, President, Secretary, Vice Chair and Senior Executive Vice Presidents, to the President.

Section 4.3. Chairman of the Board. The Board may appoint one of its members to be Chairman of the Board to serve at the pleasure of the Board. The Chairman shall supervise the carrying out of the policies adopted or approved by the Board; shall have general executive powers, as well as the specific powers conferred by these Bylaws; and shall also have and may exercise such powers and duties as from time to time may be conferred upon or assigned by the Board.

Section 4.4. President. The Board may appoint one of its members to be President of the Association. In the absence of the Chairman, the President shall preside at any meeting of the Board. The President shall have general executive powers, and shall have and may exercise any and all other powers and duties pertaining by law, regulation or practice, to the office of President, or imposed by these Bylaws. The President shall also have and may exercise such powers and duties as from time to time may be conferred or assigned by the Board.

Section 4.5. Vice President. The Board may appoint one or more Vice Presidents who shall have such powers and duties as may be assigned by the Board and to perform the duties of the President on those occasions when the President is absent, including presiding at any meeting of the Board in the absence of both the Chairman and President.

Section 4.6. Secretary. The Board shall appoint a Secretary, or other designated officer who shall be Secretary of the Board and of the Association, and shall keep accurate minutes of all meetings. The Secretary shall attend to the giving of all notices required by these Bylaws to be given; shall be custodian of the corporate seal, records, documents and papers of the Association; shall provide for the keeping of proper records of all transactions of the Association; shall, upon request, authenticate any records of the Association; shall have and may exercise any and all other powers and duties pertaining by law, regulation or practice, to the Secretary, or imposed by these Bylaws; and shall also perform such other duties as may be assigned from time to time by the Board. The Board may appoint one or more Assistant Secretaries with such powers and duties as the Board, the President or the Secretary shall from time to time determine.

Section 4.7. Other Officers. The Board may appoint, and may authorize the Chairman, the President or any other officer to appoint, any officer as from time to time may appear to the Board, the Chairman, the President or such other officer to be required or desirable to transact the business of the Association.

Such officers shall exercise such powers and perform such duties as pertain to their several offices, or as may be conferred upon or assigned to them by these Bylaws, the Board, the Chairman, the President or such other authorized officer. Any person may hold two offices.

ARTICLE V Stock

Section 5.1. The Board may authorize the issuance of stock either in certificated or in uncertificated form. Certificates for shares of stock shall be in such form as the Board may from time to time prescribe. If the Board issues certificated stock, the certificate shall be signed by the President, Secretary or any other such officer as the Board so determines. Shares of stock shall be transferable on the books of the Association, and a transfer book shall be kept in which all transfers of stock shall be recorded. Every person becoming a shareholder by such transfer shall, in proportion to such person's shares, succeed to all rights of the prior holder of such shares. Each certificate of stock shall recite on its face that the stock represented thereby is transferable only upon the books of the Association properly endorsed. The Board may impose conditions upon the transfer of the stock reasonably calculated to simplify the work of the Association for stock transfers, voting at shareholder meetings, and related matters, and to protect it against fraudulent transfers.

ARTICLE VI
Corporate Seal

Section 6.1. The Association shall have no corporate seal; provided, however, that if the use of a seal is required by, or is otherwise convenient or advisable pursuant to, the laws or regulations of any jurisdiction, the following seal may be used, and the Chairman, the President, the Secretary and any Assistant Secretary shall have the authority to affix such seal:

ARTICLE VII
Miscellaneous Provisions

The provisions of this section are supplementary to any other provision of the Articles of Association or Bylaws.

Section 7.2. Records. The Articles of Association, the Bylaws as revised or amended from time to time and the proceedings of all meetings of the shareholders, the Board, and standing committees of the Board, shall be recorded in appropriate minute books provided for the purpose. The minutes of each meeting shall be signed by the Secretary, or other officer appointed to act as Secretary of the meeting.

Section 7.3. Trust Files. There shall be maintained in the Association files all fiduciary records necessary to assure that its fiduciary responsibilities have been properly undertaken and discharged.

Section 7.4. Trust Investments. Funds held in a fiduciary capacity shall be invested according to the instrument establishing the fiduciary relationship and according to law. Where such instrument does not specify the character and class of investments to be made and does not vest in the Association a discretion in the matter, funds held pursuant to such instrument shall be invested in investments in which corporate fiduciaries may invest under law.

Section 7.5. Notice. Whenever notice is required by the Articles of Association, the Bylaws or law, such notice shall be by mail, postage prepaid, e-mail, in person, or by any other means by which such notice can reasonably be expected to be received, using the address of the person to receive such notice, or such other personal data, as may appear on the records of the Association.

Except where specified otherwise in these Bylaws, prior notice shall be proper if given not more than 30 days nor less than 10 days prior to the event for which notice is given.

Indemnification

Section 8.1. The Association shall indemnify such persons for such liabilities in such manner under such circumstances and to such extent as permitted by Section 145 of the Delaware General Corporation Law, as now enacted or hereafter amended. The Board may authorize the purchase and maintenance of insurance and/or the execution of individual agreements for the purpose of such indemnification, and the Association shall advance all reasonable costs and expenses (including attorneys' fees) incurred in defending any action, suit or proceeding to all persons entitled to indemnification under this Section 8.1. Such insurance shall be consistent with the requirements of 12 C.F.R. § 7.2014 and shall exclude coverage of liability for a formal order assessing civil money penalties against an institution-affiliated party, as defined at 12 U.S.C. § 1813(u).

Section 8.2. Notwithstanding Section 8.1, however, (a) any indemnification payments to an institution-affiliated party, as defined at 12 U.S.C. § 1813(u), for an administrative proceeding or civil action initiated by a federal banking agency, shall be reasonable and consistent with the requirements of 12 U.S.C. § 1828(k) and the implementing regulations thereunder; and (b) any indemnification payments and advancement of costs and expenses to an institution-affiliated party, as defined at 12 U.S.C. § 1813(u), in cases involving an administrative proceeding or civil action not initiated by a federal banking agency, shall be in accordance with Delaware General Corporation Law and consistent with safe and sound banking practices.
